RE: IMPORTANT NOTICE REGARDING RE-CERTIFICATION DATE

Dear Ms. Johnson:

In 2005, it was discovered that re-certifications updated in 2004 were completed without the legally required site visit. We appreciate your willingness to assist our office with correcting this oversight when you allowed us to conduct the required site visit in March 2005. Now we are in the position to return the favor. After a thorough review of the regulations, we have determined that the site visit and accompanying review conducted in 2005 for your firm will qualify you for an extension of your certification period.
