

## INDIANA DEPARTMENT OF TRANSPORTATION

Contract B-39052 (US 31 Grade Separation over Norfolk Southern Railroad and CR 100 S, 0.97 miles North of SR 28) is soliciting feedback regarding the Rigid Inclusion Ground Improvement that is proposed for this project. More information about the Rigid Inclusion Ground Improvement can be found [Here](#).

The documents provided for the purpose of soliciting feedback are not final or letting documents.

Comments and/or questions regarding the proposed Rigid Inclusion Ground Improvement should be sent to [mloveall@indot.in.gov](mailto:mloveall@indot.in.gov) by December 22, 2020 at 1 pm. Answers to concept specific questions received will be posted at the link above by January 5, 2021. Project specific questions should be submitted after this project is advertised for bid.

Thank you,

Indiana Department of Transportation (INDOT)  
100 N. Senate Ave., IGCN  
Indianapolis, IN 46204
