

**NOTES**

1. Standard Drawings 807-LTFD-02 through -04 represent the maximum roadside slope normally encountered without guardrail protection. If motorists are protected from the light standard by guardrail, the treatments found herein are not required. These drawings indicate the maximum slopes permissible on the fill. Any conditions more severe than those represented here shall be graded as directed.
2. See Standard Drawing 807-LTST-02 for mounting heights and dimensions of corresponding components.
3. The front of the foundation shall face the roadway and the back shall face the right-of-way line.

All Dimension are in mm unless otherwise specified
