Design Memorandum No. 16-30
Technical Advisory

August 19, 2016

TO: All Design, Operations, and District Personnel, and Consultants

FROM: /s/Elizabeth W. Phillips
Elizabeth W. Phillips
Manager, Office of Standards and Policy
Bridges Division

SUBJECT: Quantity Calculations for Slip Lining of Existing Pipe

EFFECTIVE: Immediately

Section 725 of the INDOT *Standard Specifications* provides the contract requirements for slip lining of existing pipe. The liner pipe installation process includes cutting the pipe such that each end is 8 in. outside the end of the existing pipe. The additional 8 in. at each end should be included in the plan quantity (LFT) for each liner pipe.
