

INDIANA DEPARTMENT OF TRANSPORTATION

Driving Indiana's Economic Growth

Design Memorandum No. 19-05

May 6, 2019

TO: All Design, Operations, and District Personnel, and Consultants

FROM: /s/Elizabeth W. Phillips
Elizabeth W. Phillips
Standards and Policy Division

SUBJECT: Guardrail End Treatment and Impact Attenuator Spare Parts Packages

REVISES: *Indiana Design Manual (IDM) Section 17-4.12 (deleted)*

EFFECTIVE: Lettings on or after September 1, 2019

Effective with September lettings, spare parts packages for guardrail end treatments and impact attenuators will be discontinued.

The following RSPs and RPDs have been removed from the Recurring Special Provisions & Plan Details Menu, effective with the May 2nd release.

- RSP 601-R-237, Spare Parts Package for Guardrail End Treatment
- RPD 601-R-237d, Spare Parts Package for Guardrail End Treatment
- RSP 601-R-497, Spare Parts Package for Impact Attenuators
- RPD 601-R-497d, Spare Parts Package for Impact Attenuators

The referenced section of the IDM has been deleted.
