DESIGN MEMORANDUM No. 05-10
TECHNICAL ADVISORY

TO: All Design, Operations, District Personnel, and Consultants

FROM: /s/ Anthony L. Uremovich
Anthony L. Uremovich
Design Policy Engineer
Contracts and Construction Division

SUBJECT: Level One Checklist for S-Lines

COMPLEMENTS: *Indiana Design Manual* Section 14-2.0

EFFECTIVE: Immediately

It is not necessary to submit a Level One Checklist for an S-line of length not in excess of that required for the appropriate public road approach, including the required taper distance to account for transitioning to the existing pavement width. Such an S-line must still be in accordance with all critical design elements and intersection sight distance requirements.
