

# INDIANA DEPARTMENT OF TRANSPORTATION

*Driving Indiana's Economic Growth*

## Design Memorandum No. 07-12 Technical Advisory

October 16, 2007

**TO:** All Design, Operations, and District Personnel, and Consultants

**FROM:** \_\_\_\_\_

**Anthony L. Uremovich**  
**Design Resources Engineer**  
**Production Management Division**

**SUBJECT:** Pipe-Material-Selection Computer Program

**EFFECTIVE:** Immediately

The current pipe-material-selection computer program that should be used is that available on the Department's website. The domain is [www.in.gov/dot/div/contracts/standards/index.html](http://www.in.gov/dot/div/contracts/standards/index.html). Click on Pipe Material Selection Program. Click on Open then follow the instructions.

The pipe-material spreadsheet that should be used is that which is on the Department's website. The domain is <http://www.in.gov/indot/7064.htm>. Click on INDOT CAD Workspace and follow the instructions. The updated sheets will be located in the Non-CADD-related documents folder.
