

INDIANA DEPARTMENT OF TRANSPORTATION

Driving Indiana's Economic Growth

Design Memorandum No. 09-19 Technical Advisory

September 15, 2009

TO: All Design, Operations, and District Personnel, and Consultants

FROM: _____
Anthony L. Uremovich
Design Resources Engineer
Production Management Division

SUBJECT Final-Tracings Checklist

SUPERSEDES: *Indiana Design Manual Chapter 14 PDP Version, Figure 14-1E*

EFFECTIVE: Immediately

The subject figure has been revised. The revisions are highlighted in yellow. This version now appears on the Department's editable documents webpage, at <http://www.in.gov/dot/div/contracts/design/dmforms>.

The Office of Contracting uses the document-type field to automatically transfer files for posting to contractors. The correct document type should be specified, otherwise, the project submittal will be returned to the designer for resubmission.
