Women Veterans Wellness Retreat

In conjunction with Lutheran Military Veterans and Families Ministries (LMVFM), Victory Noll Center will host this retreat for female military veterans. All are welcome regardless of age or service period including those that are currently serving. The focus of this program is to support women veterans:

- Address life experiences unique to combat and military service.
- Discover their uniqueness.
- Identify strengths.
- Discover areas of development.
- Find positive self-care practices.
- Reshape perspective.
- Learn and apply life skills and coping skills.
- Create bonds with other women veterans.

Veterans have the opportunity to select from a variety of fun and interesting activities throughout the weekend that facilitate support, growth, self-care and self-exploration. The retreat team includes women who have experienced combat, as well as other team members who understand and have been tending to the unique needs and challenges of veterans, especially female military veterans. Victory Noll Center provides a safe and peaceful retreat location for this program, which allows individuals the means to relax as they begin their individual journeys.

Arrival is Friday between 4 and 5 p.m. Saturday's retreat session will run from 8 a.m. to 4 p.m., with the option of a Sunday service, and lunch before your departure. Meals will be provided.
