**Re: Worker's Adjustment and Retraining Notification for  
Fort Wayne Foundry Corp. – Lima Road Division**

Dear Sir or Madam:

Please be advised that I am the President of Fort Wayne Foundry Corporation. I am providing you this notice as required under the Worker's Adjustment and Retraining Notification Act ("WARN").

Although we continue to look for other business opportunities to avoid this event, due to a severe downturn in the automotive industry, I regret to inform you that Fort Wayne Foundry Corporation has made the decision to close its Lima Road Division located at 4910 Lima Road in Fort Wayne, Indiana.

As a result, the employees currently employed at that facility, and listed below will be terminated. Our best estimate is that the first employees to be terminated under this WARN notice will begin to occur on or about May 31, 2009, and likely continue through June 28, 2009.

We also, pursuant to WARN, provide you with the following list of job titles of the positions affected and the number of affected employees within each job classification:

<b><u>Job Title</u></b>	<b><u>Number Affected in Classification</u></b>
Core Room	Thirty-Six (36)
Molding	Twenty-Seven (27)
Finishing	Thirty-Seven (37)
Final Inspection	Twenty-Two (22)
Quality	Seven (7)

Maintenance  
Salary – Exempt  
Salary – Non-Exempt

Twenty –Seven (27)  
Seventeen (17)  
One (1)

Because this is a plant closing at a unionized facility, bumping rights for the hourly employees affected will be followed, as required in the Collective Bargaining Agreement, to establish the actual sequence of eliminated jobs.

Should you desire further information, please contact me at 483-0382.

Respectfully,

FORT WAYNE FOUNDRY CORPORATION

Michael Lombardi  
President
