**Update #2: Notice of Plant Closing: MultiServ Operations, Indiana Harbor-West Facility**

Dear Mayor Pabey, Mayor Stahura and Ms. Long:

We previously notified you by letter dated April 24, 2009, that MultiServ's services to Arcelor Mittal at the Indiana Harbor-West Facility - MultiServ Plant #7 (the "Plant") located at 3001 Dickey Road, East Chicago, Indiana 46312, will end on July 31, 2009, and that certain unforeseen circumstances with our customer require that we conduct some of the terminations associated with the closure more immediately. We then sent an update to you in a letter dated May 4, 2009 with some changes in the schedule of terminations that we originally anticipated

This letter will serve as a second update to the information previously provided based on information that has recently become available. Please see the attached list for detail on number of positions terminated and their corresponding dates.

If you have any questions regarding this notice or the plant closure, you may contact me at (724) 741-6615.

Sincerely,
