RE: La Porte, Indiana Plant Closure Announcement

To Whom It May Concern:

Under the 60 days advance notice requirements in the Worker Adjustment and Retraining Act (WARN Act), we are hereby formally announcing that we will be permanently ceasing all manufacturing operations at the Silgan Containers La Porte facility (located at 300 North Fail Road, La Porte, Indiana 46350), which will affect 53 employees. Our original notification was sent on February 1, 2016, then updated on April 22, 2016. Due to additional production requirements, we now anticipate the plant closing and the layoffs between October 15 and October 29, 2016.

This plant is represented by International Staff Representative, Mike O'Brien for the United Steelworkers (113 East Washington Street, Plymouth, Indiana 46563).

Any assistance you can provide in advancing new employment prospects for these employees is appreciated. If you have any questions concerning this action or letter, you may contact me at [pwhitmore@silgancontainers.com](mailto:pwhitmore@silgancontainers.com) or (262) 354-1315.

Respectfully,
