

Employer Self Service

The Department of Workforce Development's website can now be used to register for an Unemployment Insurance (UI) account, file quarterly reports, make payments online, and maintain account information.

Access www.in.gov/dwd and then click on the Employer Self-Service for Unemployment Insurance link in the Online Services menu list. On the next screen click on the Uplink Employer Self Service icon.

You must click on the **New User?** button the first time you use Uplink to set up a username and password

Please read this section on your logon screen before continuing registration

If you forget your Password or Username, click on one of the two links provided on the logon screen

Important Information

Welcome to the Indiana Department of Workforce Development Employer Self Service Website. The following capabilities are currently available to employers:

- Registration
- Profile Maintenance
- Quarterly Reporting
- Payment Processing
- Data Review

As some browser buttons can cause unexpected results, please do not use the BACK button or any other external browser buttons. Use only the navigation buttons provided within Uplink. Also, Uplink does use some pop up windows to display certain information such as help content and various other links. Most pop up blocker programs allow you to hold down the ctrl key on your keyboard while clicking a link, to allow a pop up window to open.

Type in your username and password to get started with your registration
