To Whom It May Concern:

On April 19, 2013, we wrote to inform you that International Paper Company had decided to close its Indianapolis Container Plant located at 2900 N. Franklin Road, Indianapolis, IN, 46219. In light of the requirements of the Worker Adjustment and Retraining Notification Act, we also provided you information listing the job titles of positions to be affected by this decision, the number of affected employees in each job classification, and the anticipated schedule (between June 19, 2013 and July 2, 2013) of those job eliminations. Subsequently, on June 19, 2013, I informed you that we were able to extend a limited number of employees until dates later than those previously communicated.

I am now writing to inform you that we have determined that, due to business circumstances, we will be able to employ a limited number of the employees until dates later than those anticipated in the June 19, 2013 communication to you. Attached to this letter is a listing of the job titles we are able to extend, the number of employees in each classification, and the new projected dates for the job eliminations.

If you have any questions, please do not hesitate to call me at the number above.

If you have any questions, please feel free to contact me at the phone number listed above.

Respectfully,

Ross D. Carolus A.S.
Complex General Manager
