### Other Business:

- Home Regs still going through process in legal. Time Frame is possible Oct. 2019
- Not much changes in Home Child care
- Is there an easier way to be made aware of changes? Licensing consultants are trying to explain new processes and clarifications. Debbie explained that it is sometimes better to have things explained in person so the consultant can show providers exactly what they are referring to and be able to answer questions. Providers were not being cited on their first visit regarding the clarifications in question.
- Reminder child safety locks are not locks, they are deterrents.

If you **do not** want to continue to be on the committee please send Debbie an email letting her know. If you know anyone who would like to be on the committee let Debbie know.

A new group has formed: Indiana Family Childcare Alliance. You can check out their Facebook page for more information. <https://www.facebook.com/indianafcca/>

Family Child Care Cohort: With help from Early Learning Indiana, 5 CCR&R's are helping providers advance in Paths To Quality. Each CCR&R is focusing on different topics in their groups:
