

REGISTERED MINISTRY ADVISORY GROUP

Mission Statement:

To represent, educate, and be a resource for all Unlicensed Registered Child Care Ministries in the State of Indiana.

Goals include:

1. To be an effective conduit in the healthy growth, safety, and development of young children.
2. To promote best practices and increase professionalism among Registered Ministries
3. To empower Registered Child Care Ministries to be a viable force in the community.
4. To educate families and community members about Registered Ministries as an option for childcare.
5. Become a resource for other Registered Childcare Ministries by providing information, mentoring and encouragement
6. Increase communication with the Bureau of Child Care
7. To become a legislative voice to attain equal licensing status and compensation with childcare counterparts.
8. To redefine the requirements to become a Registered Childcare Ministry.
