

RFF 2020-1-1

REQUEST FOR FUNDING ANNOUNCEMENT (RFF)

For

“Planning, Implementation and Evaluation of Pilot Programs to Address Substance Abuse Prevention and Mental Health Promotion at Indiana’s Institutions of Higher Education.”

This is a Request for Funding announcement (RFF) issued by the Family and Social Services Administration/Division of Mental Health and Addiction, Bureau of Substance Abuse Prevention and Mental Health Promotion

This RFF is intended to publicize the availability of Grant opportunities for services described herein. Neither the issuance of this RFF nor the receipt of any responses thereto, shall create any obligation to the State of Indiana to make any award pursuant hereto. The award of any grant(s) as a result of this RFF shall be at the sole discretion of FSSA. Neither this RFF nor any response (“proposal”) submitted hereto are to be construed as a legal offer.

CONFIDENTIAL INFORMATION

Potential respondents are advised that materials contained in proposals are subject to the Indiana Public Records Act, IC 5-14-3 *st seq.*, and after the grant award may be viewed and/or copied by any member of the public, including news agencies and competitors. Potential respondents claiming a statutory exception to the Indiana Public Records Act must place all confidential documents in a sealed envelope clearly marked “Confidential” and must indicate on the outside of their proposal envelope that confidential materials are included and, in their cover letter, specify which statutory exception provision applies. The State reserves the right to make determinations of confidentiality. If the State does not agree that the information designated is confidential under one of the disclosure exceptions to the Public Records Act, it may either reject the proposal or discuss its interpretation of the allowable exceptions with the respondent. If agreement can be reached, the proposal will be considered. If agreement cannot be reached, the State will remove the proposal from consideration for award and return the proposal to the respondent upon request. The State will not determine price to be confidential information.

COMPENSATION

DMHA encourages applicants to be creative as possible in providing a good value to the State of Indiana in their responses to this application. Payment is provided in arrears and no startup funds are available.

Allowable costs include, but are not limited to, staff time, training costs, program expenses, data collection, data reporting, supplies, evaluation and other expenses. Applicants shall not supplant existing efforts nor shall they utilize ineffective programs.

TERMS

This planned agreement shall be for a period of twenty-four months beginning on July 1, 2020 and terminating June 30, 2022 and may be renewed for an additional twenty-four months

pending provider performance, outcomes, compliance with guidelines within the contract and available funding.

PROPOSALS

Applicants interested in providing these services to FSSA/DMHA should submit a hard copy to the address below or an electronic copy to Prevention@fssa.in.gov.

**Cathy Blume
Family and Social Services Administration
Division of Mental Health and Addiction
402 W Washington Street, Room W353
Indianapolis, IN 46204**

Print copies must be assembled in the following manner:

1. A letter of application signed by the Director or agency board president identifying the amount of funds which are being requested and proposed numbers served.
2. Attachment A
3. Proposal (details to follow)
4. Other attachments as described
5. Budget narrative (Applicants should propose a budget for year one and another for year two. Year one is primarily a planning year and it is anticipated that this year will require less funding.)
6. Budget attachments (This should be presented as an annual budget. Applicants should delineate year one and year two.)

Proposals, electronic or hard copies, must be received no later than **4:30 p.m. Eastern Standard Time on 02/18/2020**. Proposals received after 4:30 p.m. will not be considered.

Proposals must be delivered in electronic or hard copy format with all appropriate forms and in the subject heading of the electronic mail should state:

Response to request for funding.

Planning, Implementation and Evaluation of Pilot Programs to Address Substance Abuse Prevention and Mental Health Promotion at Indiana's Institutions of Higher Education.

No more than one proposal per respondent per agency should be submitted. In the cover letter, indicate the principal contact for the proposal along with telephone and fax number and an electronic mailing address. **All proposals must have an electronic mailing address included.**

Any questions regarding this RFF must be submitted in electronic format to Cathy Blume at Prevention@fssa.IN.gov no later than 4:30 p.m. Eastern Standard Time on January 31, 2020. Please keep question brief and of high priority.

All inquiries are to be directed to *Cathy Blume* at Prevention@fssa.in.gov and are not to be directed to any other staff member of FSSA. Such action may disqualify respondent from further consideration for a grant as a result of this RFF.

Grant

Selected applicants will receive a twenty four month grant, July 2020 to June 2022, with a renewal option pending provider performance, outcomes, compliance with guidelines within the contract and available funding.

Funding

The Division of Mental Health and Addiction shall allocate approximately \$121,000 total for year one and \$200,000 total for year two for this project and anticipates funding no less than two and no more than four colleges. Grant awards for this program are subject to budgetary exigencies associated with the availability of Federal and State funding. Potential respondents shall develop a budget appropriate to their organization’s capabilities to deliver quality services. Submitted budget amount is subject to review by DMHA and can be modified for those respondents selected to receive an award.

Scope of Work

Selected respondents will apply the Substance Abuse Prevention Framework to substance use prevention and mental health promotion activities on their campuses. Selected respondents will need to submit a comprehensive needs assessment and work plan for approval before beginning implementation of any programming. This shall be in addition to planning submitted in response to this application. Selected applicants shall display capacity for planning, implementation and evaluation of grant activities in the application and over the course of the project. Selected applicants shall demonstrate cultural competency and integrate plans to continue to develop cultural competency as well as sustain program activities after the funding ends. Working with health disparate populations is a priority for DMHA so respondents need to ensure that they not only plan to identify but engage those populations in the work that is proposed.

Selected respondents will need to budget for evaluation of their efforts and will need to participate in the Indiana College Survey or a like Survey at a minimum of biennially throughout the funding cycle. Unspecified overhead/administrative fees cannot exceed 5% of total contract proposed.

Selection process and criteria.

To be eligible to apply for this grant award, organizations must possess the following characteristics:

1. Be constituted as a nonprofit accredited institute of higher education.
2. Institutions should have an undergraduate population composed of at least 50% of students under the age of 26. This is to ensure that mental health and substance use is addressed in the young adult population.
3. Possess specialized knowledge and expertise in the field of substance abuse prevention.
4. Have demonstrated fiscal and programmatic capacity to carry out supervision of program staff, program implementation, fidelity monitoring, evaluation efforts and comply with reporting requirements.
5. Identify an independent evaluator of efforts. See number 5 in proposal narrative section below for details.
6. Have demonstrated capacity to maintain competent and well trained staff to carry out program tasks, including having the ability to oversee program implementation staff, assure program implementation with fidelity, and commit to applying the Strategic Prevention Framework in their efforts.
7. Participate in or form a coalition related to substance abuse prevention and mental health promotion on a college campus. Ideally, the campus has an already developed coalition dedicated to reducing substance use, reducing harm to young people from substance use and addressing the mental health promotion and treatment needs of the college population. Plans should include either the development of the coalition or the continued capacity building of an existing coalition that addresses the campus' substance abuse and mental health promotion needs. Applicants should pay special attention to addressing suicide prevention and to preventing or delaying the use of alcohol, tobacco and other drugs, including misuse of prescription drugs.
8. Coordinate with other community agencies who are working with mental health promotion and substance abuse preventions. Examples include, but are not limited to, DMHA funded initiatives, Local Coordinating Councils (LCCs) and System of Care (SOC) agencies.
9. Attend required training events, administrative meetings and accept technical assistance and evaluation support. It is anticipated that at least 4 in person trainings will be required and another 3 webinars will be implemented.
10. Comply with program objectives including, but not limited to, delaying program implementation until adequate assessment, planning, and capacity building is complete.
11. Utilize the majority of allocated dollars for implementation of programs, policies and practices which are deemed highly effective in the National Institute of Alcohol Abuse College AIM project (college Matrix) and/or Indiana's Evidence Based Prevention Guide. Applicants should propose probable programs for selection but final approval of the work plan will be delayed until after additional needs assessment and capacity building.
12. Allocate 5% or less of the budget to general overhead/administrative costs.
13. Participate in the Indiana College Survey or petition for another campus survey that will assess needs and outcomes over time.

14. Agree to collect National Outcomes Measures as specified by DMHA or DMHA's designee.
15. Attend required trainings and mandatory meetings. At a minimum this will include a kick-off meeting, a mid-year meeting and attendance at the Substance Abuse and Prevention Skills Training (SAPST) by at least one program staff within a year of grant receipt or proof that the training has already occurred.
16. Employ one FTE equivalent for this project.
17. Have a tobacco free campus policy in place that includes students and staff or plans to implement one during the course of this funding.
18. Have a policy addressing alcohol use for students and staff in place or plans to implement one during the course of this funding.

Each Proposal will be evaluated on the basis of the submission sections listed below. Scores for each section have been provided, but each section is deemed important.

Proposal shall be typewritten in 12 point font with one inch margins and no more than 11 pages. This page total does not include budget narrative and budget forms.

PROPOSAL SUBMISSION SECTIONS

Proposals shall be reviewed and scored by a committee selected by DMHA. The scores of each grant applicant will be averaged into a final score (*81 total possible points*). Contract negotiation and plan revision may be required for some proposals which are deemed fundable. Proposals will be evaluated based upon the proven ability of the respondent to meet the goals of the program in a cost-effective manner. Specific criteria are:
