<b>Current Month Enrollment - Actual</b>	This is the number of individuals enrolled in the current month by population, based on coverage effective at the point-in-time the report is run and received claims. Enrollment values do not directly correspond with waiver slot values. Enrollment values herein for certain waivers may differ from enrollment reported by the waiver programs due to how individuals receiving other services are reported to ensure individuals are not counted twice. Please visit FSSA's Medicaid Monthly Enrollment Reports webpage for waiver-specific enrollment reporting - <a href="https://www.in.gov/fssa/ompp/forms-documents-and-tools2/medicaid-monthly-enrollment-reports/">https://www.in.gov/fssa/ompp/forms-documents-and-tools2/medicaid-monthly-enrollment-reports/</a> .

**\* No Level of Care population description**

Hoosier Healthwise FFS	Mainly represents retroactive eligibility individuals. After applicants are approved, they are enrolled in Hoosier Healthwise managed care.
Dual	Individuals in this category receive primary coverage from Medicare, while Medicaid pays wrap-around cost sharing (premiums, coinsurance, and deductibles) and provides additional services such as non-emergency transportation.
Non-Dual	Enrollment in this category includes foster and adoption assistance children as well as retroactive eligibility for the HCC eligible population.
Medicare Savings Program	This program covers Medicare enrollees who also have partial Medicaid eligibility (QMB, SLMB, and QI-1). Medicaid pays Medicare premiums for these individuals, and may also pay Medicare cost sharing, depending on income.
Limited Benefit Populations	This population includes all those with limited Medicaid benefits who are not served under managed care: presumptive eligibility, family planning, breast and cervical cancer, emergency services only, refugee assistance, and children under age 21 in psychiatric facilities.
