

**Bill - HB 1002**

**Author(s):** Representative Holli Sullivan

**Co-Authors:** Rep. Gregory Porter, Rep. Chuck Goodrich, and Rep. Doug Miller

**Sponsor(s):** Sen. Chip Perfect, Sen. Jeff Raatz, Sen. Randolph, Sen. Kruse, and Sen. Grooms

**Synopsis:** Bill establishes Career Coaching Grant Program and Fund. Provides that the Governor's Workforce Cabinet shall receive, distribute, and account for all funds received for the career and technical education under the Carl D. Perkins Vocational and Applied Technology Act. Provides after June 30, 2019, a school corporation, school, or secondary school vocational program may employ an instructor who does not have a license if the instructor meets certain occupational and training requirements. Requires a public school to include a summary on implementing certain career curriculum in a public school's improvement plan. Allows a governing body of a school corporation to include a postsecondary level career and technical education course in the high school curriculum of certain schools. Provides that a contract between a CTE center and a school or school corporation is a public record under Indiana's open door law. Allows school corporations to create a new CTE course without the approval by the joint program board or governing body. Requires the adoption of certain teacher licensing examinations to replace the teacher licensing examinations. Establishes the "Let Indiana Work for You" program.

**Status:** Passed House. Senate: Passed 3<sup>rd</sup> Reading; Waiting on Concurrence or Conference Committee.
