Local Impact

- **Significant supporter of the local economy**
 - *Hundreds of millions* of dollars annually both to farm families who grow our turkeys and to row crop farmers for locally sourced ingredients like corn and soybean that go in our turkey feed
- **Donations *intentionally* focused on the communities in which we operate a facility or have a large number of farm families**
- Farbest has committed **hundreds of thousands of dollars** to endeavors such as:
 - Huntingburg Market Street Park
 - Purdue University Agriculture & Life Science Buildings Foundation
 - Local schools and organizations like *Junior Achievement*
 - *Farbest product is frequently donated* to many worthy causes in our area

A Tradition of *Being the Best*

- Farbest Foods is a *local organization* with a *global impact* who has been providing the *highest quality turkey products* to customers all over the world for decades.
- We really believe our tagline—“*A Tradition of Being the Best*”—explains how we *treat our employees and our customers*, as well as the *caliber of the product we produce* every single day!
- At Farbest Foods, our employees are part of an exceptional team responsible for *feeding the world!*
