Career and College Funding Action Team Summary
May 16, 2018

Members present: Bruce Watson, Tony Vespa

By Phone: Mark Kara, Chuck Johnson

Group Mission: Researching the Effectiveness and ROI on programs

Discussed mission and goals

Goal: Every dollar spent in preparing Hoosiers for their careers or postsecondary experiences will demonstrate substantial, measurable return on investment.

Mission: This team will work with Commissioner Lubbers, Commissioner Payne, and the teams at Ivy Tech Community College and Vincennes to assess the policies, guidelines, and effectiveness of each individual funding stream meant to prepare students for postsecondary and career success.

Programs to review: PELL, 21st Century Scholars, Frank O'Bannon Scholarship, other state and federal financial aid programs, postsecondary courses of study, best practices designed to provide free or reduced tuition

Timeline

- Monthly meetings, one to two hours each
- May: 21st Century Scholar and Frank O'Bannon Scholarship
- June: PELL and other state and federal financial aid programs
- July: Postsecondary courses of study – embedded throughout
- August: Best practices other states and countries
- September: Initial Recommendations
- October: Final Report

Presentation on State programs 21st century Scholar, Frank O'Bannon and a summary of the funding for the programs

Discussed the additions to 21st century

Discussed that there is a workforce component and other components

Discussed declining enrollment possibility due to recession

Discussed move to incentivize on time graduation

Discussed retention rate and positive impact of 21st century scholars

Discussed some hurdles with certificates and other training not being approved as a demonstrative career path quick enough- at times a multi month process

Change model to encourage relevant degrees to market need

Discussed challenges with limitations

Asked for group to take a look at skill programs in South Carolina, Kentucky, Georgia, and Maryland

Discussed not being one or the other in training or college but finding how to balance and make the experience worthwhile for the student.

Items requested:

How to 21st century scholars approach post-secondary 4yr, 2yr, and training?

Full-time vs Part-time has it improved completion?

12 steps handout

Discussion

Would adding a more robust workforce component to the application process for 21st century scholars be beneficial?

Different metrics or selection for those involved in state programs

What degrees/certificates scholarships can be used for

Governor's Workforce Cabinet
