

Healthy Hoosiers Foundation

Supporting Health & Well-Being Across Indiana

The **Healthy Hoosiers Foundation (HHF)** is a 501(c)(3) that was created by the Indiana General Assembly for the direct benefit of the **Indiana Department of Health (IDOH)**. HHF embraces philanthropy to partner with the larger community to achieve shared goals. By inviting individuals, foundations, and corporations to support the mission of HHF through financial support we can target serious health issues facing Hoosiers.

OUR MISSION & VISION —> —> —> —>

Mission

HHF assists IDOH and its partners in improving the health and well-being of individuals and communities across Indiana.

Vision

A healthy and safe Indiana supported and sustained by thriving, engaged communities.

HHF STRATEGIC PRIORITIES —> —> —> —>

Prevent Maternal and Infant Mortality - Improving outcomes for mothers, infants, and children; supporting healthy pregnancies, safe deliveries, and strong developmental foundations. Leading the establishment of a strong start for all families across Indiana.

Prevent Chronic Disease - Reducing long-term health challenges affecting Hoosiers of all ages by focusing on prevention and better disease management; improving quality of life.

Strengthen Data Quality and Transparency - Optimizing the collection, management, and communication of data; empowerment via a trusted hub of reliable health information
