- CHANNEL CATFISH
- MUSKELLUNGE
- NORTHERN PIKE
- SAUGER
- WALLEYE

Have you ever heard of "brain food?" Fish has this stuff called DHA that can make you smart and be able to focus more in school! Some types are healthier than others, so tell your parents to check the link at the bottom of the page for the best choices!

For more information on healthy fish, please visit ISDH online at <http://www.in.gov/isdh/23650.htm>
