SUBJECT: Approval of CMP Reinvestment State Plan

Dear Ms. Kent and Ms. Williams:

Sections 1819(h)(2)(B)(ii)(IV)(ff) and 1919(h)(3)(C)(ii)(IV)(ff) of the Social Security Act incorporate specific provisions of the Patient Protection and Affordable Care Act pertaining to the collection and uses of civil money penalties (CMPs) imposed by the Centers for Medicare & Medicaid Services (CMS) when nursing homes do not meet requirements for long-term care facilities. As specified in 42 CFR 488.433(e)-(f), states must submit an acceptable state plan to CMS and receive approval.

Our office has reviewed the CMP Reinvestment State Plan proposal submitted by Indiana for CY2023. Based on our review, we find that the requirements in 42 CFR 488.433(e) are met and that the CMP State Plan is approved by CMS.

If you have any questions regarding this decision, please contact Mr. Juan Molina (Juan.Molina@cms.hhs.gov).

Sincerely,

Tamika J. Brown
