

6. List how the proposal demonstrates the following (if applicable to the request):

- A) How the proposal differs from what is common and usual in similar industry situations: We are wanting to seal bags using the reduced oxygen method as indicated. This will preserve our products to 14 days

- B) How the proposal is unique and not addressed in existing rules or law: This procedure is adopted in the 2013 food code

- C) How the proposal does not diminish the protection of public health: N/A

- D) How the proposal is based on new scientific or technological principle(s): By reducing oxygen in each bag, spoilage is delayed

- E) How the implementation of the variance would be practical: Successfully preserve and prolong life to ensure quality of product

7. Explain how the person/organization seeking the variance will assure that all provisions of a granted variance will be enacted at each food establishment for which a variance has been granted: We have been diligent in writing our ROP procedures and HACCP Plan. In addition we will stay current with any new procedures and guidelines that may emerge from any regulatory agencies.

8. List all affected parties known by the person/organization seeking a variance, including all affected regulatory authorities: (Attach additional pages if necessary.) Indiana State Health Department, Lake's Metro Deli

9. Attach copies of any related variances, waivers or opinions issued by other governmental agencies.

For Office Use Only

10. Signature of Individual Making Request:

Printed Name, Title: Lake Russell
