\* - Pictures of the product labels are included herewith for easier identification.

Sample analysis by the FDA has revealed that these products contain the undeclared drug ingredient salicylic acid making these unapproved new drugs.

Salicylic acid is acutely toxic, not recommended for oral use and is harmful if swallowed. Nausea, vomiting, gastrointestinal irritation, loss of hearing, sweating to severe reactions of blurred vision, mental confusion, cerebral edema and cardiorespiratory arrest which could be life-threatening may occur. Since the labeling does not state salicylic acid is contained in the product, individuals who are allergic, elderly, have a history of stomach ulcers or bleeding problems, consume  $\geq 3$  alcoholic drinks per day, or take concomitant medications containing salicylates are at higher risk for toxicity. No illnesses from these products have been reported to date.

These products are marketed as dietary supplements aiding in weight loss, produced in capsule form, and were sold in bottles. These products were distributed nationwide to distributors.

Novacare, LLC is notifying its distributors and customers by certified mail and is arranging for return of all recalled product. Consumers/distributors/retailers that have the aforementioned products that are being recalled should stop using, distributing, or selling them and return them to:

Novacare, LLC  
 Returns Dept.: MS# 2000  
 913 West 2900 South  
 Salt Lake City, UT 84119

Consumers with questions regarding this recall can contact Novacare, LLC directly at (801) 261-2252, Monday through Friday from 10:00 am – 4:00 pm MST. Consumers should contact their physician or healthcare provider if they have experienced any problems that may be related to taking any of the aforementioned products.

Adverse reactions or quality problems experienced with the use of this product may be reported to the FDA's MedWatch Adverse Event Reporting program either online, by regular mail or by fax.

- Complete and submit the report **Online:** [www.fda.gov/medwatch/report.htm](http://www.fda.gov/medwatch/report.htm)
- **Regular Mail or Fax:** Download form [www.fda.gov/MedWatch/getforms.htm](http://www.fda.gov/MedWatch/getforms.htm) or call 1-800-332-1088 to request a reporting form, then complete and return to the address on the pre-addressed form, or submit by fax to 1-800-FDA-0178
