Skipanon Brand Seafoods LLC of Warrenton, Oregon is voluntarily recalling ALL LOTS, ALL SIZES of ALL Skipanon brand seafoods canned products because it has the potential to be contaminated with *Clostridium botulinum*, a bacterium which can cause life-threatening illness or death. Consumers are warned not to use the product even if it does not look or smell spoiled.

Botulism, a potentially fatal form of food poisoning, can cause the following symptoms: general weakness, dizziness, double-vision and trouble with speaking or swallowing. Difficulty in breathing, weakness of other muscles, abdominal distension and constipation may also be common symptoms. People experiencing these problems should seek immediate medical attention.

There have been no reported cases of illness to date.

Products were distributed to wholesalers and retailers in Michigan, Nevada, Oregon, and Washington and sold to internet customers nationwide from the website skipanonbrand.com. The last date of distribution of recalled products is September 2015.

Affected production codes include any codes starting with "OC" and the code can be found either at the bottom or on top of the can. Products are packaged in metal cans with net weights ranging from 5.5 oz. to 66.5 oz.
