Director, Food Protection Program

SUBJECT: Tim's Cascade Snacks Recall

SUGGESTED

ACTION: Unclassified Recall; 'HAWAIIAN® Kettle Style Potato Chips - SWEET MAUI ONION' AND 'HAWAIIAN - SWEET MAUI ONION RINGS' because they have the potential to be contaminated with *Salmonella*; Recommend notification of affected stores via phone, fax or e-mail.

From the information provided by FDA, the products being recalled were distributed in the State of Indiana. The recalled products were distributed nationwide and in Canada through retail stores, distributors, direct delivery and internet sales. These products were sold as individual bags and as components of packs, including variety packs. Detail information is not available at this time. In addition, if any recalled product is found, please notify this office at 317-233-7360.

Recall -- Firm Press Release

FDA posts press releases and other notices of recalls and market withdrawals from the firms involved as a service to consumers, the media, and other interested parties. FDA does not endorse either the product or the company.

Tim's Cascade Snacks Recalls 'Hawaiian® Kettle Style Potato Chips - Sweet Maui Onion' and 'Hawaiian - Sweet Maui Onion Rings' Because of Possible Health Risk

Contact:
 Michelle Weese,
 973-541-8620

FOR IMMEDIATE RELEASE - March 02, 2010 - Out of regard and concern for our consumers, Tim's Cascade Snacks of Algona, Washington is recalling '**HAWAIIAN® Kettle Style Potato Chips - SWEET MAUI ONION' AND 'HAWAIIAN - SWEET MAUI ONION RINGS'** because they have the potential to be contaminated with *Salmonella*, an organism which can cause serious and sometimes fatal infections in young children, frail or elderly people, and others with weakened immune systems. Healthy persons infected with *Salmonella* often experience fever, diarrhea (which may be bloody), nausea, vomiting and abdominal pain. In rare circumstances, infection with *Salmonella* can result in the organism getting into the bloodstream and producing more severe illnesses such as arterial infections (i.e., infected aneurysms), endocarditis and arthritis.

'**Hawaiian® Kettle Style Potato Chips- Sweet Maui Onion'** and '**Hawaiian- Sweet Maui Onion Rings'** were distributed nationwide and in Canada through retail stores, distributors, direct delivery and internet sales. These products were sold as individual bags and as components of packs, including variety packs. No other 'Hawaiian' products are involved in this recall.

Only the following products are being recalled:

There are no known illnesses reported.

The **'HAWAIIAN® Kettle Style Potato Chips - SWEET MAUI ONION'** AND **'HAWAIIAN - SWEET MAUI ONION RINGS'** are being recalled because they contain HVP (hydrolyzed vegetable protein) manufactured, distributed and recalled by Basic Food Flavors, Inc., Las Vegas, NV.

Consumers who have purchased these products should not consume them and should return them to the retailer they were purchased from for a full refund. Tim's Cascade and our retailers are removing recalled product from retailers' shelves. As a result, consumers can be assured that all other Tim's Cascade products that remain on-shelf are safe and not subject to this recall. Consumers with questions may call 888-299-7646. Live assistance is 8am-4pm CST and a recording with all pertinent information runs continuously.
