

Mipi ngandamnak cikor lei he a pehtlai mi Nau chuahle cangka tuahmi ngandamnak cheknak (Public Health Genetics Newborn Screening)

Theih ding mi Hlanah Na fa chuah

Indiana i chuak mi hngakchia paoh peng upadi ningin nau chuahle cangka tuahmi ngandamnak cheknak kha a tuahdih a ho. Adam lo mi hngakchia pawl hi a dammi nau chuakka an lo asiloah an cawlcang kho men. Asinan a zualhma mi zawt nak, tthanlianhnak a hnut ter tu asiloah thih nak tiang hmanh a si ter kho tu zawtnak an ngei kho.

Nau chuahle cangka tuahmi ngandamnak cheknak ah chekmi phun thum a tel. Cu hna nihcun damlonak phun 30 nak tamdeuh a hngalh khawh. Mah cheknak phun thum cu nau chuah hnu nazi 24-48 chunah a chuahnak hmun ah tuahdih ding a si. Mah cheknak pathum kong he pehtlai in a tamdeuh in cawng law a konglam tam deuh theihnak caah QR code kha scan tuah!

Thi dor tlampal lak in cheknak [Dried Blood Spot (DBS)]

Thi dor tlampal lak in cheknak [Dried Blood Spot (DBS)] (DBS) cheknak cu kedil in thi dor lak in tuah mi khul rang in le fawi tein tuah mi thi cheknak a si. Nau Ngeih hnu ah thi dor thlawm te kha naute kedil cu a zum mi in sawh i lak le a thi kha mah cheknak caah a khun in tuah asi mi zetnak cathlap ah chiah a si. Thi dor ti auh mi mah thi kha nau chuahle cangka tuahmi ngandamnak cheknak hmun ah kuat i kaa hmun ahcun a um set lo mi, thihnak tiang a chuah ter kho tu cikor zawtnak 30leng kha an chek. Mah pawl kha hmuh khawh a si tikah na fa ngandamnak zohkhenh tu nih an pek te lai. Mah hi inn nan tin hnu a hmasa bik nau ngandamnak siibawi sin piah nan kal caan ah a si tawn.

A zual ngaimi i chuahpi mi lung zawtnak ([Critical Congenital Heart Disease (CCHD)])

A zual ngaimi i chuahpi mi lung zawtnak (CCHD) cheknak cu lungtur chek nak seh (pulse oximetry) in naute thi chung ah oxygen zeizah a um le naute i a lung le a cuap zeitluk in dah a dam kha hngalhnak caah khul rang tein, fahnak um lo tein le nem tein cheknak tuah a si. CCHD timi cu lung zawtnak phun tam pi kha a sawh tu a phun tampi a huap mi biafang a si. Mah lung zawtnak pakhat cio nih thlopbulnak kha a damhnak ding caah nau ngeih dih tlampal hnuah an herh, a tamdeuh cu khuaihlai an hau. Hngakchia nih CCHD a ngeih i a chuah hnu tlawmpal ah thlopbulnak a hmuh lo a si ahcun mah hngakchia cu thihnak tiang hmanh a si kho ter tu a zualhma mi ngandamlonak a ngeihnak ding lam kha a tam ter chin.

Hna theihnak cheknak

Na fa nih siizung in nan chuah hlan asiloah thla khat a si ah hna theihnak cheknak a ngeih a hau. Hna theihnak cheknak nih na fa hna theihnak kha a ttha asiloah chek chap a hauh kha a langhter lai. Mah hi khul rang tein, fawi tein le na fa a hngilh lio ah tuah khawh mi a si. Hna theihnak a chambaunak nih na fa bia chim a cawnnak le holh a hmannak a nuarh ter khawh. Indiana ah ni hnih chung ah hna theihnak a chambaumi hngakchia pakhat an chuak. Na fa nih hna theihnak chambaunak a ngeih sual a si ah cun na fa le na chungkhar an bawm tu ding ah hmuh khawh mi riantuannak le herhmi pehchan kho tu thil pawl an um. Hlathlainak pawl nih thla 3 an si hlan i hna theihnak a chambau tiah an hngalhmi le thla 6 an si ah a hna theihnak a bawm tu thil a hmu mi hngakchia pawl cu a dang hngakchia bantuk in holh a cawng kho i a holh kho tiah an langhter.

Hngakchia lei siibawi thimnak i a biapitnak

Nau a chuah hlan i hngakchia lei siibawi thimnak nih na lungre theihnak tam pi a zor ter khawh i na fa nih a thawkka tein a tha bik zohkhenhnak a ngah khawh lai kha a fian ter. Nau na ngeihnak hmun asiloah nau ngeihter tu nih na fa siibawi a min le pehtlainak ding ca a herh mi thawngpang a ngeih kha fian ter a hau. Na fa i nau chuah le cangka tuahmi ngandamnak cheknak a phichuak kha na fa siibawi sinah an pek lai i a zohfel lai. Na fa nih cheknak a herh chap ah cun na fa siibawi nih mah hnu tuah ding thil pawl kong i chimh ruah dind ah an pehtlai lai.

A kong lam tamdeuh in theih na duh maw?
