

HELP PREVENT HIV

DISPOSE OF NEEDLES SAFELY

DO:

DISPOSE OF in a sharps container, often found at medical centers.

KEEP OUT of reach of children.

USE a sturdy, household container with a tight-fitting lid.

DON'T:

PUT in trash.

RECYCLE.

FLUSH in toilet.

Any drug can be abused. If you or a friend are abusing drugs, get help. Dispose of needles safely to reduce the risk of spreading HIV.
