

Protect your family from lead in your home

Indiana
Department
of
Health

Was your house built before 1978?

Did you know that many homes built before 1978 have lead-based paint? Lead from paint, chips, and dust can pose serious health hazards.

If your house was built before 1978, scan the QR code to access the "Protect Your Family from Lead in Your Home" EPA pamphlet.*

*The pamphlet is available in these languages: English, Spanish, Arabic, French, Chinese Simplified and Traditional, Russian, Somali, Tagalog, Vietnamese
