

ACCESS INDIANA Cheat Sheet for IDOH Lead & Healthy Homes

NOTE: If you have additional State issued licenses with Indiana and already have an Access Indiana account, contact Katie Etter at ketter@health.in.gov. Please do not create a new Access Indiana Account if you do not see your existing Radon or Lead license(s).

If you do not have additional State issued licenses, follow the steps below to pull your existing Radon or Lead license(s) from IPLA over to Access Indiana.

Step 1: Go to <https://mylicense.in.gov/eGov/index.html>. If you are applying for a license for yourself, select Personal Licensing. If you are applying for a license for your business (Lead Abatement Contractor license or Radon Laboratory license), select Business Licensing. These links will direct you to the appropriate sites to create an account. Continue with Step 2 below.

Personal Licensing

Login to Personal Licensing with
Access Indiana

Business Licensing

Login to Business Licensing with
MyLicense

Step 2. Type in your email address.

Step 3. Receive verification code in your email and enter it in.

Step 4. Create a password and sign in.

Step 5. Click on View All Services at the bottom of the page.
