Overview

Trend Analysis

2024 (Q4) : 4:3:1:3:3:1:4 County Rate Assessment

Select the year and type of rate (above) to view at a county level by hovering over the map. Click on the county and the bar graph on the right will show county rates alongside the state rates. To see the full colored map again, click anywhere outside of the state boundary.

Series Completion Rate: Percentage of population vaccinated for the 4:3:1:3:3:1:4 series completely

Series Completion Rate by Census Population: Percentage of population vaccinated for the 4:3:1:3:3:1:4 series at a county level by 2020 Census data

5-year Difference: Difference in series completion rate for the selected year and the rate 5 years from the selected year. The difference is calculated starting from year 2017.

On the map below, lighter colors represent higher rates

**Indiana's

Health and Wellness Months

In 2024 we started a bulletin board in our lobby with information each month on different Health and Wellness topics.

This years topics included: MyPlate, Dental Health, Child Abuse Awareness, Men's Health, Mental Health Awareness, UV Awareness, Breast Cancer Awareness, and Vaccine information.

Along with important information and phone numbers for help, we provided fun activity and coloring pages for the kids, stickers, and other fun items to help raise awareness in our community.
