- **Ivy Tech Testing Mailing Address**
- **Ivy Tech Testing Applications – Reminder**
- **Ivy Tech Testing Field Proctor List**
- **Number of CNAs and QMAs on the Registry**
- **Link to subscribe to IDOH Aides Training Programs Newsletter**

Training Program Renewal Reminder

Each training program should receive a reminder from IDOH, via email, approximately one month prior to that program's renewal date. Even if this reminder is not received, the program director is still responsible for making sure an application for renewal is submitted to IDOHLTCTrainingprograms@health.in.gov prior to the renewal date and that approval is granted via an email response.

NAT programs must renew by April 1, and QMAT programs must renew by Oct. 1 every other year.

The program renewal dates are located at the top of the program's data sheet:

```
NAT Application: 01/23/2015  NAT Approved: 02/10/2015
NAT Expiration Date: 04/01/2025  NAT Revoked Date:

QMAT Application: 10/03/2016  QMAT Approved: 10/13/2016
QMAT Expiration Date: 10/01/2024  QMAT Revoked Date:
```

Please confirm your renewal date and mark it on your calendar. If a program is expired for more than 90 days, the entire program approval process will again have to be completed. A lapse in approval dates for training programs can cause many issues for students and the program.

Ivy Tech Testing Mailing Address

Ivy Tech began phasing out its post office box and began directing all mail to its physical address. As of June 30, mail will no longer be accepted at the P.O. box. Please make sure all applications, documents, and payments are mailed to:

Ivy Tech Community College
CNA/QMA Testing
50 W. Fall Creek Pkwy N. Drive
Indianapolis, IN 46208

Ivy Tech Testing Applications – Reminder

Please check your applications before sending to Ivy Tech. Ivy Tech is still seeing a high number of applications that need to be sent back because Social Security numbers, birthdates, or signatures are missing. Beginning June 30, applications missing those fields will be returned to the training program.

Ivy Tech Testing Field Proctor List
