Long-term Care Update:

- LTC Facility COVID-19 Data Submission Guidelines
- COVID-19 Vaccine Resident/Representative Fact Sheet

LTC Facility COVID-19 Data Submission Guidelines

The LTC Facility COVID-19 Data Submission Guidelines have been updated. Included in with the guidelines are:

- Reporting Systems for COVID-19
- Data Submission Process Flow: Case-Level Information
- COVID-19 LTC Reporting Summary

NOTE: COVID-19 Related Death – Staff or Resident needs to be reported within 24 hours of death. (See COVID-19 Reporting Summary – Row 4) COVID-19 Death Reporting Line 765-860-6053.

NOTE: All COVID positive residents, including residents that are positive upon admission should be reported into the Long Term Care COVID-19 Case Report Form-REDCap. To report a new admission, select "positive upon admission". This form should be completed within 24 hours of admission. Send questions: Melissa Meador

COVID-19 Vaccine Resident/Representative Fact Sheet

The COVID-19 Vaccine Fact Sheet is available for residents/representatives and essential family caregivers. Please share this information within your facility to encourage participation in the anticipated pharmacy vaccination program.
