# Indiana Virtual Naloxone Training Guide

## Purpose

The Indiana Department of Health (IDOH) is pleased to offer virtual naloxone administration trainings that are free and self-paced. These courses cover topics such as Indiana overdose statistics, stigma reduction, naloxone administration, and treatment options for substance use disorder.

IDOH is offering three online courses available on the Indiana TRAIN Platform:

- [Naloxone Administration Training: First Responders: ID 1122357](#)
- [Naloxone Administration Training: First Responder Refresher: ID 1122441](#)
- [Naloxone Administration Training: Public: ID 1122355](#)

Please note: the First Responder Refresher course is reserved for first responders who have already completed a complete naloxone administration training.
