TITLE

(X6) DATE

Any deficiency statement ending with an asterisk (*) denotes a deficiency which the institution may be excused from correcting providing it is determined other safeguards provide sufficient protection to the patients. (see instructions.) Except for nursing homes, the findings stated above are disclosable following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosed days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.

R 0217 Bldg. 00	<p>include the report (2567) of the official written deficiencies from the complaint survey or what the facility's plan of correction entailed.</p> <p>During a follow-up observation on 8/17/23 at 8:00 a.m., the state survey binder did not contain the 2567 or the facility's plan of correction related to the deficiencies cited from the complaint survey completed on 1/10/23.</p> <p>During an interview, on 8/17/23 at 1:00 p.m., the Administrator indicated they did not have a policy related to their state survey results binder being kept updated with the results and plans of corrections of the most recent surveys.</p> <p>410 IAC 16.2-5-2(e)(1-5) Evaluation - Deficiency (e) Following completion of an evaluation, the facility, using appropriately trained staff members, shall identify and document the services to be provided by the facility, as follows: (1) The services offered to the individual resident shall be appropriate to the: (A) scope; (B) frequency; (C) need; and (D) preference; of the resident. (2) The services offered shall be reviewed and revised as appropriate and discussed by the</p>		<p>results binder with the 2567 report from the past surveys that were completed on the facility. Any surveys that are not in the survey results binder will be printed out and placed in the proper spot in the binder.</p> <p>3. The facility will make sure that all future survey results (2567) are placed in the survey results binder for all the residents and visitors to see.</p> <p>4. The Administrator and/or designee will monitor monthly to ensure that the survey results binder is up to date with the most current survey results and all the survey results before. This will be an ongoing monitoring.</p> <p>5. 9/4/2023</p>

	<p>resident and facility as needs or desires change. Either the facility or the resident may request a service plan review.</p> <p>(3) The agreed upon service plan shall be signed and dated by the resident, and a copy of the service plan shall be given to the resident upon request.</p> <p>(4) No identification and documentation of services provided is needed if evaluations subsequent to the initial evaluation indicate no need for a change in services.</p> <p>(5) If administration of medications or the provision of residential nursing services, or both, is needed, a licensed nurse shall be involved in identification and documentation of the services to be provided.</p> <p>Based on observation, record review, and interview, the facility failed to ensure a resident's service plan was followed for medication administration for 1 of 5 residents reviewed for service plans (Resident 15).</p> <p>Findings include:</p> <p>Resident 15's clinical record was reviewed on 8/16/23 at 3:34 p.m. Diagnoses included major depressive disorder.</p> <p>A current evaluation of needs and service plan, dated 6/20/23 and signed by the resident and the DON, indicated the resident was unable to take medications unless administered by someone else. The measurable goal indicated she would continue to take her medications correctly as long as they were set up in advance and administered by the nursing staff.</p> <p>During an observation of medication administration, on 8/17/23 at 7:01 a.m., LPN 5 unlocked the medication cart, pulled medications</p>	R 0217	<p>1. The deficiency found that the facility failed to ensure a resident's service plan was followed for medication administration for 1 of 5 residents reviewed for service plans. There were no residents harmed by this deficiency.</p> <p>2. There were no residents harmed by this deficiency. To ensure potential residents are not affected by this deficiency, the facility reviewed all the resident's service plans to ensure that the service plan reflected whether a resident self-administers their medication or if nursing administers the medications to them. Any resident's service plans that did not reflect whether they are a self-administer or if nursing administers their medication, the service plan was changed and reviewed by the facility and by the</p>	09/04/2023

	<p>for Resident 15 from one of the drawers, verified medications against the physician orders, opened the medication pouches and poured medications into a medication cup for a total of 12 medications to be administered. She entered the resident's room, placed the medication cup on a counter top in the resident's room, and exited the room. The resident was lying in bed. LPN 5 indicated the resident was able to self-administer her medications.</p> <p>During an interview, on 8/17/23 at 12:34 p.m., the Administrator indicated the service plan was incorrect. The resident was able to independently take the correct oral medications and proper dosages at the correct time.</p> <p>Review of a current facility policy, titled "Medication Self-Administration/Administration/Storage," dated 6/2021 and provided by the Administrator on 8/17/23 at 1:00 p.m., indicated the following: "Policy:...If resident is incapable to self-administer medication with or without reminders, a licensed nurse or qualified medication aide shall be expected to administer medications as ordered by the physician...Procedure:...5.) Should the resident be incapable of self-administering medications the licensed nurse or qualified medication aide will administer medications as ordered by the physician...."</p>		<p>resident and signed by the resident and facility.</p> <p>3. Every month, the facility will review all the resident's service plans to ensure that they reflect the resident's care. If the service plans do not reflect the resident's care correctly, the change will be made and reviewed by the resident and the facility as well as signed off on.</p> <p>4. The Administrator and/or designee will review the resident's service plans monthly for 6 months. After 6 months, the Administrator and/or designee will review the resident's service plans every 3 months to ensure that the service plans reflect the care that the residents get. This monitoring will be ongoing. All service plans will be reviewed by the resident and the facility, whether there are changes or not, to ensure that the service plans reflect the care the residents receive.</p> <p>5. 9/4/2023</p>
