However, the day before she was due to return, the facility denied her readmission and indicated she would need to go to a psychiatric facility for treatment and evaluation before she would be allowed to return. Resident B had already paid in full for the month of July, but now the facility would not allow her to return. They "just basically dumped someone who has been a resident for 7 years, without any notice, explanation."</p> <p>On 8/10/22 at 11:25 a.m., Resident B's record was reviewed. She had been a resident at the facility since her initial admission in 2016 but had recently been sent to the hospital on June 13th, 2022. She was a private pay resident.</p> <p>The record lacked documentation of any initial admission, and/or current acknowledgement that Resident B and/or her healthcare representative had been provided a copy of the facilities bed-hold policy.</p> <p>On 8/10/22 at 11:00 a.m., the Director of Nursing (DON) provided a copy of the facilities bed-hold policy, it was reviewed at this time. The policy was titled, "Licensed Residential Facility Bed Hold Policy," dated 9/11/17. The policy indicated, "...Private Pay Bed Hold Policy: the resident may reserve their apartment during leaves of absence by continuing to pay the monthly rent as stated in their Resident Agreement. For instance, when the resident had moved to another facility [hospital] or passed away, the Room &amp; Board rate will continue until the resident has satisfied the termination requirements termination requirements set forth in the Resident Lease Agreement."</p>		<p>findings constitute a deficiency or that the scope and severity regarding the deficiency cited are correctly applied.
