

## Indiana Tobacco Free Behavioral Health Facility Policy List

*Minimum criteria to be considered Tobacco Free: Policy that prohibits the use of all commercial tobacco products (excluding products used for cessation support such as nicotine patches and gum) by all patients, staff, and visitors in all facility buildings, facility-owned vehicles, and on all facility grounds (including parking lots) at all times. Policies that include additional coverage (explicitly prohibiting the use of e-cigarettes and/or prohibiting tobacco use at residential treatment homes) are indicated.*
