Incentives & Enablers (Tuberculosis Patients)		\$8,000.00		Tuberculosis (TB) Control and Case Management	Per statute, when isolating or restricting movement of active TB patients, the county is responsible for their care and often their general living costs. This money, as in our normal yearly budget, will be utilized to provide daily living needs for patients under our care.
Incentives & Enablers (Immunizations)		\$54,000.00		Immunization, Trauma and Injury Prevention, Maternal and Child Health	We are instituting a new incentive program aimed at increasing the completion of all childhood vaccination series at specific ages. We feel this program will not only address the Immunization CPHS area, but because the incentive is aimed at reducing injuries to children in vehicle accidents and/or bicycle accidents and is aimed to assist children and families as a whole, we feel this also will serve to address the Trauma and Injury Prevention CPHS area and the Maternal Child Health area.
Incentives/Supplies/Items for internal CPHS projects to meet KPIs		\$50,000.00		Food Protection, Immunization, Infectious Disease Surveillance and Prevention, Tuberculosis (TB) Control and Case Management, Tattoo, Body Piercing, Eyelash Safety and Sanitation, Tobacco Prevention and Cessation, Chronic Disease Prevention, Trauma and Injury Prevention, Environmental Public Health, Fatality Review, Maternal and Child Health, Lead Case Management and Risk Assessment, Access to and Linkage to Clinical Care, Health-Related Areas during Emergencies/Disasters	We have conducted some internal brainstorming for additional Allen County specific KPIs for 2024 in several CPHS areas. Community Grants for Maternal Child Health Projects (unknown amount & unknown specific projects until grant awarded in late 2023)	\$350,000.00		Maternal and Child Health	These budget items are basically the amounts and areas where we will accept grant applications for CPHS delivery. Our grants program for 2024 has been developed and deployed with an aggressive timeline for submission, review and award to roll out funds for programming January 2024. A community partner meeting was held in late August for hundreds of participants. We rolled out our Health First Allen County plan, grant program, and timelines. We are accepting grant applications through mid-October, at which time we will then work with our external experineced 3rd party reviewers to determine which programs will receive funding for 2024/2025. At that time, we will be able to better delineate which CPHS will have KPI-driven projects deployed using these funds. These amounts will be updated in the first IDOH bi-annual report. (These amendments in these areas submitted on 1-18-24 in red font in Section 8 including those regarding software and contractual engagements, were amended to reflect closer and more accurate dollar amounts for the public health grants we awarded to 29 partner organizations in Allen County to assist in achieving various KPIs and work within 8 of the 22 Core Public Health Services. They also reflect any local budget changes in HFI expenditures due to additional programming added that was not planned in 2023 when the original budget was submitted.)
