Notes:

- This report contains data pertaining to preventative core services as reported by local health departments in the activity tracker from 1/1/2024-6/30/2025.
- Vital Records only reflects services provided from 1/1/2025-6/30/2025.
- Calculations focused on number of services provided summing the subfields when data was available; when unavailable, the number of unique individuals served was used.
- Changes to these data and/or associated collection methods may affect the comparability of counts to previous or future reports.
- Reported counts may also contain duplications of unique individuals and activities.
- Population data are based on the 2023 U.S. Bureau of Census estimate population counts for Indiana and its county populations.

Data is current as of 7/1/2025
