-Drug Take Back	
Tuberculosis (TB) Prevention and Case Management	
Total Number of Services Provided: 153	150
Number of people provided TB testing (IGRA or TST)	153

Notes:

- Activity tracker entries were self-reported by local health departments who opted into Health First Indiana in 2024.

Calculations focused on number of services provided summing the subfields when data was available; when unavailable, the number of unique individuals served was used.

- Changes to these data and/or associated collection methods may affect the comparability of counts to previous or future reports.

- Reported counts may also contain duplications of unique individuals and activities.

Population data are based on the 2023 U.S. Bureau of Census estimate population counts for Indiana and its county populations.

Data is current as of 8/26/24 at 12 PM (Format Revised 10/08/2024)
