Re: 2001 Annual Report

This Commission was established by an ordinance adopted by the Hancock County Board of Commissioners in August 2001. Meetings for this calendar year were limited to organizational activities.

The five members of the commission are:

Bonnie Andrews - President  
Jim Shelby - Vice-President  
Judy Fuller - Secretary  
Richard Parker - Treasurer  
Helen Thomas

There was no money budgeted for the commission.

The 2002 plans include:

- 1) Identification, from the list of all known cemeteries in the county, of those under the jurisdiction of this commission (those that have suffered neglect, without funds for reasonable maintenance, that were established before 1850)
- 2) Prioritize the work needed on these cemeteries
- 3) Establish sources of funding to accomplish this work

Respectfully,

  
Richard E. Parker  
Treasurer
