(1) Racing participants and personnel (including owner, authorized agent, trainer, assistant trainer, jockey, apprentice jockey, jockey agent, veterinary helper, farrier, stable employees, exercise rider, groom, pari-mutuel clerk, pony rider, track employee, track security, vendor employee, starting gate crew, farrier's assistant, valet, track management, practicing or racing veterinarian, or other).

(2) Racing officials as listed in 71 IAC 3.5.

(5) Shareholders in a corporation, acting as a contractor or vendor, if required by the commission.

(b) The commission may require a person working at a training center outside the enclosure, with horses competing at a track under the commission's jurisdiction, to obtain a valid license issued by the commission. A requirement for licensure under this section shall be made upon reasonable suspicion that such person's activities or reputation are inconsistent with maintaining racing with the highest standards and the greatest level of integrity. The executive director or judges may refuse entry or scratch any horse involving any such person who, after requested to obtain a valid license, fails to or is unable to obtain a license.

(c) Any person employed by an association solely to assist with the conduct of gambling games, or employed by a person or concern contracting with or approved by the association to provide a gambling game related service or commodity that requires their presence on association grounds, if in good standing and the holder of a current license issued by the gaming commission is considered a licensee of the commission, or must obtain a commission license if not in good standing and the holder of a current license issued by the gaming commission. Any licensee under this subsection is responsible for any and all obligations imposed upon a commission licensee under these rules and is subject to any sanctions, penalties, and/or fines for any violation of commission rules.

(d) Persons required to be separately licensed by the commission shall submit a completed application on forms furnished by the commission and accompanied by the required fee.

(e) License applicants may be required to furnish to the commission a set of fingerprints and a recent photograph and may be required to be re-fingerprinted or re-photographed periodically as determined by the commission.

(f) The determination whether to issue a license may be placed in a pending status awaiting information requested and deemed necessary by the commission or its designee. Authority: IC 4-31-6-2

Affected: IC 4-31-6-8

Sec. 2. (a) The commission may license persons holding valid permanent (not temporary) licenses issued by ARCI member racing jurisdictions in North America. Prior to being licensed, the person must:

- (1) be in good standing;
- (2) have cleared a Federal Bureau of Investigation (FBI) or Royal Canadian Mounted Police (RCMP) fingerprint check within the previous five (5) years;
- (3) file an application or affidavit as may be required by the commission; and
- (4) pay the required applicable fees.

(b) The commission may recognize the issuance of racing licenses from ARCI member jurisdictions in North America or the National Racing Compact for purposes of issuance of licenses in this jurisdiction.

(c) Only permanent licenses in good standing shall be considered. Temporary or probationary licenses shall not be considered.

(d) Applicants must be in good standing in each jurisdiction where they hold or have held a racing license.

(e) Provided the above requirements have been met, the commission may issue either a license or a validation sticker. The validation sticker shall be affixed to either a license issued by this jurisdiction or a valid license issued by another ARCI member jurisdiction. The validation sticker shall measure a maximum of one-half (½) inch vertically, be one and one-half (1½) inches horizontally, and shall contain:

- (2) the year of validation; and
- (3) the audit trail code or serial number (where applicable).

The validation sticker shall be constructed of an approved tamper-resistant material. The affixing of the validation sticker shall constitute licensing. The commission shall determine the period of time that such license shall be valid in this jurisdiction.

(f) In the event the licensee is absent from this jurisdiction, and upon payment of the applicable fees, a receipt shall be mailed to the licensee's permanent address. The receipt may then be presented at the commission office so that a commission representative may affix the proper validation sticker to the racing license badge.

(g) Notwithstanding a person's purported eligibility for fingerprint reciprocity, the commission or its designee may require the fingerprinting of any applicant or licensee. Rule 2. Owners

71 IAC 5.5-2-1 Licensing requirements for owners

Authority: IC 4-31-6-2

Affected: IC 4-31

Sec. 1. (a) Each person who has a five percent (5%) or more ownership or beneficial interest in a horse is required to be licensed. An applicant for an owner's license can be of any age.

(b) An applicant for an owner's license shall own or lease a horse that is:

- (1) eligible to race; and
- (2) registered with the racing secretary.

(c) If younger than eighteen (18) years of age, an applicant for an owner's license shall submit a notarized affidavit from his or her parent or legal guardian stating that the parent or legal guardian assumes responsibility for the applicant's financial, contractual, and other obligations relating to the applicant's participation in racing. In addition, the parents or legal guardians of an applicant for an owner's license under the age of eighteen (18) must be licensed as an owner.

(d) If the commission or its designee has reason to doubt the financial responsibility of an applicant for an owner's license, the applicant may be required to complete a verified financial statement.

(e) Each licensed owner and trainer is responsible for disclosure to the commission or its designee of the true and entire ownership of each of his or her horses registered with the racing secretary. Any change in ownership of a horse registered with the racing secretary shall be approved by the stewards. Each owner shall comply with all licensing requirements.

(f) Each licensed owner is responsible for disclosure to the commission or its designee of the identity of the true and bona fide trainer of each of his or her horses registered with the racing secretary. Any change in the trainer of a horse registered with the racing secretary shall be approved by the stewards. Each trainer shall comply with all licensing requirements.

(g) The commission or its designee may refuse, deny, suspend, or revoke an owner's license for the spouse, member of the immediate family, or household of a person ineligible to be licensed as an owner, unless there is a showing by clear and convincing evidence on the part of the applicant or licensed owner, and the commission determines that participation in racing will not permit a person to serve as a substitute for an ineligible person. To the extent the commission or its designee obtains information that raises a reasonable suspicion that any other person may be serving as a substitute for a person ineligible to be licensed as an owner, any horse whose ownership is in question may be placed on the stewards' list. In such event, any horse whose bona fide ownership is at issue is ineligible to race until such time that the issue is proven by the entrant of the horse by clear and convincing evidence in accordance with the provisions of 71 IAC 7.5-5-2. The transfer of a horse to circumvent the intent of a commission rule or ruling is prohibited.

(h) Each person licensed as an owner consents to the release of records or information required by these rules relating to the medication, care, and/or treatment of a horse by a veterinarian. Additionally, each owner waives and releases any claim that he or she might have against any veterinarian resulting from or in any way relating to the release of records or information to the commission pertaining to the medication, care, and/or treatment of a horse. This provision also serves as and provides a corresponding consent and waiver by and on behalf of the trainer of each of the owner's horses. *(Indiana Horse Racing*

Rule 3. Trainers

71 IAC 5.5-3-1 Eligibility

Authority: IC 4-31-6-2

Affected: IC 4-31

Sec. 1. (a) An applicant for a license as trainer or assistant trainer shall:

(1) be at least eighteen (18) years of age; and

(2) be qualified, as determined by the stewards or other commission designee, by reason of experience, background, and

knowledge of racing.

(b) A trainer's license from another jurisdiction, having been issued within a prior period as determined by the commission, may be accepted as evidence of experience and qualifications. Evidence of qualifications may require passing one (1) or more of the following:

- (1) A written examination.
- (2) An interview or oral examination.
- (3) A demonstration of practical skills in a barn test.

(c) An applicant not previously licensed as a trainer shall be required to pass a written or oral examination and a demonstration of practical skills, administered by the stewards, prior to being licensed as a trainer.

(d) Each licensed trainer is responsible for disclosure to the commission or its designee of the true and entire ownership of each of his or her horses registered with the racing secretary. Any change in ownership of a horse registered with the racing secretary shall be approved by the stewards. Each owner shall comply with all licensing requirements.

(e) Each licensed owner and trainer is responsible for disclosure to the commission or its designee of the true and bona fide trainer of each of his or her horses registered with the racing secretary. Any change in the trainer of a horse registered with the racing secretary shall be approved by the stewards. Each trainer shall comply with all licensing requirements.

(f) The commission may deny, suspend, or revoke a trainer's license for the spouse, member of the immediate family, or household of a person ineligible to be licensed as a trainer, unless there is a showing, by clear and convincing evidence, on the part of the licensed trainer, applicant, or licensed owner (and the commission determines) that participation in racing will not permit a person to serve as a substitute for an ineligible person. The transfer of a horse to a trainer who would circumvent the intent of a commission rule or ruling is prohibited.

(g) The commission's designee may refuse a trainer's license for the spouse, member of the immediate family, or household of a person ineligible to be licensed as a trainer, unless there is a showing, by clear and convincing evidence, on the part of the licensed trainer, applicant, or licensed owner (and the commission determines) that participation in racing will not permit a person to serve as a substitute for an ineligible person.

(h) To the extent the commission or its designee obtains information that raises a reasonable suspicion that any other person may be serving as a substitute for a person ineligible to be licensed as a trainer, any horse that the substitute is training may be placed on the stewards' list. In such event, any horse involving an issue of the true and bona fide trainer is ineligible to race until such time that the issue is proven by the entrant of the horse by clear and convincing evidence in accordance with the provisions of 71 IAC 7.5-5-2. Rule 1. Claiming Races

71 IAC 6.5-1-1 General provisions

Authority: IC 4-31-3-9

Affected: IC 4-31

Sec. 1. (a) A person entering a horse in a claiming race warrants that the title to the horse is free and clear of any existing claim or lien, either as security interest mortgage, bill of sale, or lien of any kind; unless before entering the horse, the written consent of the holder of the claim or lien has been filed with the stewards and the racing secretary and its entry approved by the stewards. A transfer of ownership arising from a recognized claiming race will terminate any existing prior lease for the horse.

(b) Title to a claimed horse shall be vested in the successful claimant at the time the horse leaves the starting gate and is declared an official starter. The successful claimant shall then become the owner of the horse whether it be alive or dead, sound or unsound, or injured at any time, during the race or after. However, the successful claimant may request on the claim blank at the time the successful claimant makes the claim that the horse be tested for the presence of equine infectious anemia via a Coggins test, or other test as approved by the official veterinarian. Should this test prove positive, it shall be cause for voiding the claim. The expense of the test and the maintenance of the horse during the period requested for the test shall be the responsibility of the successful claimant, unless the test proves positive, wherein the owner or owners of the horse at the time of entry shall be responsible.

(c) An in-foal filly or mare shall be eligible to be entered into a claiming race only if all of the following conditions are fulfilled:

(1) Full disclosure of such fact is on file with the racing secretary and such information is posted in the racing secretary's office.

(2) The stallion service certificate has been deposited with the racing secretary's office.

(3) All payments due for the service in question and for any live progeny resulting from that service are paid in full.

(4) The release of the stallion service certificate to the successful claimant at the time of claim is guaranteed.

(d) The stewards may set aside and order rescision of a claim for any horse from a claiming race run in this jurisdiction upon a showing that any party to the claim committed a prohibited action, as specified in section 4 of this rule, or that the owner of the horse at the time of entry in the claiming race failed to comply with any requirement of these rules. Should the stewards order a rescision of a claim, they may make a further order for the costs of maintenance and care of the horse as they may deem appropriate. 71 IAC 7.5-5-2 Eligibility for racing and ownership status

Authority: IC 4-31-3-9; IC 4-31-11
 Affected: IC 4-31

Sec. 2. (a) The commission, its executive director, the stewards, judges, and the commission's director of security

(collectively, the "commission or the commission's designee"), shall have the right to require an entrant of a horse to verify information contained within the entry blank forms and declarations as well as other eligibility requirements for a particular race. In addition, the commission, or the commission's designee, shall have the right to make a determination of whether a certain horse is or was eligible to participate in a race. The burden of proving eligibility, by clear and convincing evidence, in such a situation, will be on the entrant.

(b) The commission, or the commission's designee, may require sufficient evidence from an entrant of ownership status, residency, or other information required for eligibility prior to allowing a horse to compete in a restricted race or in any race at the meet.

(c) After a race, the commission, or the commission's designee, may, upon reasonable suspicion, conduct an inquiry and make a determination as to ownership status, residency, or other information required for eligibility of an entrant.

(d) In considering the matter of ownership status, the commission, or the commission's designee, may review any information which it deems relevant, including, but not limited to, the following:

(1) a bill of sale;

(2) a proof of funds transfer, including, but not limited to, a canceled check, a wire transfer, or other similar form of proof; and

(3) a completed ownership transfer on the USTA or Jockey Club registration certificate, whichever is applicable.

(e) Each owner and trainer, or the authorized agent of an owner or trainer, or the nominator (collectively, the "entrant"), is required to disclose the true and entire ownership and the true and bona fide trainer of each horse with the racing secretary, and to disclose any changes in the owners or trainer of each registered horse to both the racing secretary, the stewards, or judges. A licensee or racing official, including the racing secretary, shall immediately report any questions concerning the ownership status or the identity of the true and bona fide trainer of a horse to the stewards or judges, and the stewards or judges may place such a horse on the steward's or judge's list. A horse placed on the steward's or judge's list shall be ineligible to start in a race until questions concerning the ownership status or the identity of the true and bona fide trainer of the horse are answered to the satisfaction of the commission, or the commission's designee, and the horse is removed from the steward's or judge's list.

(f) If the commission, or the commission's designee, finds a lack of sufficient evidence of ownership status, residency, or other information required for eligibility, prior to a race, the commission, or the commission's designee, may order the entrant's horse scratched from the race or ineligible to participate.

(g) After a race, the commission, or the commission's designee, may, upon reasonable suspicion, withhold purse money pending an inquiry of ownership status, residency, or other information required for eligibility. If the purse money is ultimately forfeited, because of a determination of the commission, or the commission's designee, the purse money shall be redistributed per order of the commission or the commission's designee.

(h) If the purse money has been paid prior to reasonable suspicion, the commission, or the commission's designee, may conduct an inquiry and make a determination. If the commission, or the commission's designee, determines there has been a violation of ownership status, residency, or other information required for eligibility, it shall order the purse money returned and redistributed per order of the commission or the commission's designee.

(i) Any entrant, which is found to have violated the qualification for a race, including knowingly providing false information or refusing to provide or concealing information, is also subject to sanctions by the commission. 71 IAC 7.5-6-4 Paddock to post

Authority: IC 4-31-3-9

Affected: IC 4-31

Sec. 4. (a) Each horse shall carry the full weight assigned for that race from the paddock to the starting post and shall parade past the stewards' stand unless excused by the stewards. The post parade shall not exceed twelve (12) minutes unless otherwise ordered by the stewards. It shall be the duty of the stewards to ensure that the horses arrive at the starting gate as near to post time as possible.

(b) After the horses enter the track, no jockey may dismount or entrust the jockey's horse to the care of an attendant without the prior consent of the starter unless there is an accident involving the jockey, the horse, or the equipment. During any delay during which a jockey is permitted to dismount, all other jockeys may dismount and their horses may be attended by others. After the horses enter the track, only the jockey, an assistant starter, the official veterinarian, the racing veterinarian, or an outrider or pony rider may touch the horse before the start of the race.

(c) If a jockey is injured on the way to the post, the horse shall be returned to the paddock or any other area designated by the stewards, re-saddled with the appropriate weight, and remounted with a replacement jockey.

(d) After passing the stewards' stand in parade, the horses may break formation and proceed to the post in any manner unless otherwise directed by the stewards. Once at the post, the horses shall be started without unnecessary delay.

(e) Horses shall arrive at the starting post in post position order.

(f) In case of accident to a jockey or the jockey's mount or equipment, the stewards or the starter may permit the jockey to dismount and the horse to be cared for during the delay and may permit all jockeys to dismount and all horses to be attended to during the delay.

(g) If a horse throws its jockey on the way from the paddock to the post, the horse must be returned to the point where the jockey was thrown, where it shall be remounted and then proceed over the route of the parade to the post. The horse must carry its assigned weight from paddock to post and from post to finish.

(h) If a horse leaves the course while moving from paddock to post, the horse shall be returned to the course at the nearest practical point to that at which it left the course and shall complete its parade to the post from the point at which it left the course unless ordered scratched by the stewards.

(i) No person shall wilfully delay the arrival of a horse at the post.

(j) The starter shall load horses into the starting gate in any order deemed necessary to ensure a safe and fair start. 71 IAC 7.5-6-5 Post to finish

Authority: IC 4-31-3-9

Affected: IC 4-31

Sec. 5. (a) The following shall apply to starting the race:

(1) The starter is responsible for assuring that each participant receives a fair start.

(2) If, when the starter dispatches the field, any door at the front of the starting gate stalls should not open properly due to a mechanical failure or malfunction or should any action by any starting personnel directly cause a horse to receive an unfair start, the stewards may declare the horse a nonstarter.

(3) Should a horse, not scratched prior to the start, not be in the starting gate stall thereby causing it to be left when the field

is dispatched by the starter, the horse shall be declared a nonstarter by the stewards.

(4) Should an accident or malfunction of the starting gate, or other unforeseeable event compromise the fairness of the race or the safety of race participants, the stewards may declare individual horses to be nonstarters, exclude individual horses from one (1) or more pari-mutuel pools, or declare a no contest and refund all wagers except as otherwise provided in the rules involving multi-race wagers.

(b) The following shall apply to interference, jostling, or striking during the race:

(1) A jockey shall not ride carelessly or willfully so as to permit the jockey's mount to interfere with, impede, or intimidate any other horse in the race.

(2) No jockey shall carelessly or willfully jostle, strike, or touch another jockey or another jockey's horse or equipment.

(3) No jockey shall unnecessarily cause the jockey's horse to shorten its stride so as to give the appearance of having suffered a foul.

(c) The following shall apply to maintaining a straight course during the race:

(1) When the way is clear in a race, a horse may be ridden to any part of the course, but if any horse swerves, or is ridden to either side, so as to interfere with, impede, or intimidate any other horse, it may be a foul.

(2) The offending horse may be disqualified if, in the opinion of the stewards, the foul altered the finish of the race, regardless of whether the foul was accidental, willful, or the result of careless riding.

(3) If the stewards determine the foul was intentional, or due to careless riding, the jockey may be held responsible.

(4) In a straightaway race, every horse must maintain position as nearly as possible in the lane in which it starts. If a horse is ridden, drifts, or swerves out of its lane in such a manner that it interferes with, impedes, or intimidates another horse, and it may result in the disqualification of the offending horse.

(d) The following shall apply to disqualifications during the race:

(1) When the stewards determine that a horse shall be disqualified for interference, they may place the offending horse behind such horses as in their judgment it interfered with, or they may place it last.

(2) If a horse is disqualified for a foul, any horse or horses with which it is coupled as an entry may also be disqualified.

(3) When a horse is disqualified for interference in a time trial race, for the purposes of qualifying only, it shall receive the time of the horse it is placed behind plus one one-hundredth (1/100) of one (1) second penalty, or more exact measurement if photo finish equipment permits, and shall be eligible to qualify for the finals or consolations of the race on the basis of the assigned time.

(4) Possession of any electrical or mechanical stimulating or shocking device by a jockey, horse owner, trainer, or other person authorized to handle or attend to a horse shall be prima facie evidence of a violation of these rules and is sufficient grounds for the stewards to scratch or disqualify the horse.

(5) The stewards may determine that a horse shall be unplaced for the purpose of purse distribution and time trial qualification.

(e) All horses shall be ridden out in every race. A jockey shall not ease up or coast to the finish, without reasonable cause, even if the horse has no apparent chance to win prize money. A jockey shall give a best effort during a race, and each horse shall be ridden to win.

(f) The following shall apply to use of riding crops during the race:

(1) Although the use of a riding crop is not required, any jockey who uses a riding crop during a race shall do so only in a manner consistent with exerting his/her best efforts to win.

(2) In all races where a jockey will ride without a riding crop, an announcement of such fact shall be made over the public address system.

(3) No electrical or mechanical device or other expedient designed to increase or retard the speed of a horse, other than the riding crop approved by the stewards, shall be possessed by anyone or applied by anyone to a horse at any time on the grounds of the association during the meeting, whether in a race or otherwise.

(4) Riding crops shall not be used on two-year-old horses in races before April 1 of each year.

(5) The riding crop shall only be used for safety, correction, and encouragement.

(6) All riders should comply with the following when using the riding crop:

(A) showing the horse the riding crop and giving it time to respond before hitting it;

(B) having used the riding crop, giving the horse a chance to respond before using it again; and

(C) using the riding crop in rhythm with the horse's stride.

(7) Prohibited use of the riding crop includes, but are *[sic, is]* not limited to striking a horse:

(A) on the head, flanks, or any other part of its body other than the shoulders or hind quarters, except when necessary to control a horse;

(B) during the post parade or after the finish of the race, except when necessary to control the horse;

(C) excessively or brutally causing welts or breaks in the skin;

(D) when the horse is clearly out of the race or has obtained its maximum placing; or

(E) persistently even though the horse is showing no response under the riding crop;

or striking another person or horse.

(g) After the race, horses will be subject to inspection by a racing or official veterinarian looking for cuts, welts, or bruises in the skin. Any adverse findings shall be reported to the stewards.

(h) The giving of instructions by any licensee that if obeyed would lead to a violation of this rule may result in disciplinary action also being taken against the licensee who gave such instructions.

(i) If a horse leaves the racecourse during a race, it shall be disqualified.

(j) The following shall apply to the order of finish:

(1) The official order of finish shall be decided by the stewards with the aid of the photo finish camera and, in the absence of the photo finish film strip, the video replay. The photo finish and video player are only aids in the stewards' decision. The decision of the stewards shall be final in all cases.

(2) The nose of the horse shall determine the placement of the horse in relationship to other horses in the race.

(k) The following shall apply to returning after the finish:

(1) After a race has been run, the jockey shall ride promptly to the place designated by the stewards, dismount, and report to the clerk of scales to be weighed in. Jockeys shall weigh in with all pieces of equipment with which they weighed out.

(2) If a jockey is prevented from riding to the designated unsaddling area because of an accident or illness to the jockey or the horse, the jockey may walk or be transported to the scales, or may be excused from weighing in by the stewards.

(l) The following shall apply to unsaddling:

(1) Only persons authorized by the stewards may assist the jockey with unsaddling the horse after the race.

(2) No one shall place a covering over a horse before it is unsaddled.

(m) Weighing in:

(1) A jockey shall weigh in at no less than the same weight at which he/she weighed out and if under that weight, and after consideration of mitigating circumstances by the board of stewards, his/her mount may be disqualified from any portion of the purse money.

(2) In the event of a disqualification, all monies wagered on the horse shall be refunded unless the race has been declared official.

(3) A jockey's weight shall include clothing, boots, saddle, and its attachments and any other equipment except the bridle, bit, blinkers, number cloth, and over-girth, reins, and breast collar.

(4) Upon approval of the stewards, the jockeys may be allowed up to three (3) pounds more than published weights to account for inclement weather clothing and equipment.

(5) The post-race weight of jockeys includes any sweat, dirt, and mud that have accumulated on the jockey, jockey's clothing, jockey's safety equipment, and over-girth. This accounts for additional weight, depending on specific equipment, as well as weather, track, and racing conditions.

(n) The following shall apply to dead heats:

(1) When two (2) horses run a dead heat for first place, all purses or prizes to which the first and second horses would have been entitled shall be divided equally between them. This subdivision applies in dividing all purses or prizes whatever the number of horses running a dead heat and whatever places for which the dead heat is run.

(2) In a dead heat for first place, each horse involved shall be deemed a winner and liable to penalty for the amount it shall receive.

(3) When a dead heat is run for second place and an objection is made to the winner of the race, and sustained, the horses which ran a dead heat shall be deemed to have run a dead heat for first place.

(4) If the dividing owners cannot agree as to which of them is to have a cup or other prize which cannot be divided, the

question shall be determined by lot by the stewards.

(o) The following shall apply to time trials:

(1) Except in cases where the starting gate physically restricts the number of horses starting, each time trial shall consist of no more than ten (10) horses.

(2) The time trials shall be raced under the same conditions as the finals. If the time trials are conducted on the same day, the horses with the ten (10) fastest times shall qualify to participate in the finals. If the time trials are conducted on two (2) days, the horses with the first five (5) fastest times on the first day and the horses with the five (5) fastest times on the second day shall qualify to participate in the finals.

(3) If the association's starting gate has less than ten (10) stalls, then the maximum number of qualifiers will correspond to the maximum number of starting gate post positions.

(4) If only eleven (11) or twelve (12) horses are entered to run in time trials from a gate with twelve (12) or more stalls, the association may choose to run finals only. If eleven (11) or twelve (12) horses participate in the finals, only the first ten (10) finishers will receive purse money.

(5) In the time trials, horses shall qualify on the basis of time and order of finish. The times of the horses in the time trial will be determined to the limit of the timer. The only exception is when two (2) or more horses have the same time in the same trial heat, in which case the order of finish shall also determine the preference in qualifying for the finals. Should two (2) or more horses in different time trials have the same qualifying time to the limit of the timer for the final qualifying positions, then a draw by public lot shall be conducted as directed by the stewards.

(6) Except in the case of a disqualification, under no circumstances shall a horse qualify ahead of a horse that finished ahead of that horse in the official order of finish in a time trial.

(7) Should a horse be disqualified for interference during the running of a time trial, it shall receive the time of the horse it is immediately placed behind plus one one-hundredth (1/100) of one (1) second, or the maximum accuracy of the electronic timing device. No adjustments will be made in the times recorded in the time trials to account for head-wind, tail-wind, off-track, or other conditions.

(8) Should a malfunction occur with electronic times on any time trials, finalists from that time will then be determined by official hand timing operated by three (3) official and disinterested persons. The average of the three (3) hand times will be utilized for the winning time unless one (p) [sic] of the hand times is clearly incorrect. In such cases, the average of the two (2) accurate hand times will be utilized for the winning time.

71 IAC 7.5-8-1 Stewards to inquire

Authority: IC 4-31-3-9

Affected: IC 4-31

Sec. 1. (a) The stewards shall take cognizance of foul riding and, upon their own motion or that of any racing official or person empowered by these rules to object or complain, shall make diligent inquiry or investigation into such objection or complaint when properly received.

(b) In determining the extent of disqualification, the stewards, in their discretion, may:

- (1) declare null and void a track record set or equalled by a disqualified horse, or any horses coupled with it as an entry;
- (2) affirm the placing judges' order of finish and hold the jockey responsible if, in the stewards' opinion, the foul riding did not affect the order of finish; or
- (3) disqualify the offending horse and hold the jockey blameless if, in the stewards' opinion, the interference of another horse in a race was not the result of an intentional foul or careless riding on the part of a jockey.

Any objection by a jockey must be lodged with the outrider or the steward's designee before the jockey dismounts the horse.

(b) An objection following the running of any race must be filed before the race is declared official.

(c) The stewards shall:

- (1) make all findings of fact as to all matters occurring during and incident to the running of a race;
- (2) determine all objections and inquiries; and
- (3) determine the extent of disqualification, if any, of horses in the race.

Such findings of fact and determinations shall be final.

(d) An outrider shall be equipped with a two-way radio for communication with the stewards and be stationed in the first turn. Jockeys wishing to file an objection for any reason will so communicate to the outrider. Sec. 3. (a) Objections to the participation of a horse entered in any race shall be made to the stewards in writing, signed by the objector, and filed prior to post time for the first race on the day which the questioned horse is entered. Any such objection shall set forth the specific reason or grounds for the objection in such detail so as to establish probable cause for the objection. The stewards upon their own motion may consider an objection until such time as the horse becomes a starter.

(b) An objection to a horse which is entered in a race may be made on, but not limited to, the following grounds or reasons:

- (1) A misstatement, error, or omission in the entry under which a horse is to participate.
- (2) The horse which is entered to run is not the horse it is represented to be at the time of entry or the age was erroneously given.
- (3) The horse is not qualified to enter under the conditions specified for the race.
- (4) The horse is owned in whole or in part or leased or trained by a person ineligible to participate in racing or otherwise ineligible to own a race horse as provided in these rules.

71 IAC 7.5-8-4 Protests

Authority: IC 4-31-3-9

Affected: IC 4-31

Sec. 4. If the incident upon which the protest is based occurs within the last two (2) days of the meeting, such protest may be filed with the commission within seventy-two (72) hours exclusive of Saturdays, Sundays, or official holidays. Any such protest shall set forth the specific reason or reasons for the protest in such detail as to establish probable cause for the protest.

(b) A protest may be made on any of the following grounds:

(1) Any grounds for objection as set forth in section 3 of this rule.

(2) A jockey, owner, or lessor was ineligible to participate in racing as provided in this article.

(3) The horse carried less than the proper weight from post to finish.

(4) An unfair advantage was gained in violation of this article.

(c) Notwithstanding any other provision in this article, the time limitation on the filing of protests shall not apply in any case in which fraud or willful misconduct is alleged provided that the stewards are satisfied that the allegations are bona fide and verifiable.

(d) No person shall file any objection or protest knowing the same to be inaccurate, false, untruthful, or frivolous.

(e) The stewards shall exercise their sole discretion in making such investigation or inquiry that they deem to be appropriate relative to a timely filed protest. After the stewards have gathered the information that they determine necessary in order to render a decision on the protest, they shall make a determination as soon as reasonably possible and communicate that determination to the person lodging the protest and any other persons who may be impacted by that decision. No person has a right to have a hearing conducted on the protest, and no appeal of the stewards' decision on the protest may be taken.

(f) The stewards may order any purse, award, or prize for any race withheld from distribution pending the determination of any protest. In the event any purse, award, or prize has been distributed to an owner or for a horse which by reason of a protest or other reason is disqualified or determined to be not entitled to such purse, award, or prize, the stewards or the commission may order such purse, award, or prize returned and redistributed to the rightful owner or horse. Rule 10. Quarter Horse Time Trials

71 IAC 7.5-10-1 Time trials

Authority: IC 4-31-3-9

Affected: IC 4-31

Sec. 1. Recommended rules for time trials:

- (1) Except in cases where the starting gate physically restricts the number of horses starting, each time trial shall consist of no more than ten (10) horses.
- (2) The time trials shall be raced under the same conditions as the finals. If the time trials are conducted on the same day, the horses with the ten (10) fastest times shall qualify to participate in the finals. If the time trials are conducted on two (2) days, the horses with the five (5) fastest times on the first day and the horses with the five (5) fastest times on the second day shall qualify to participate in the finals. When time trials are conducted on two (2) days, the racing office should make every attempt to split owners with more than one (1) entry into separate days so that the owner's horses have a chance at all ten (10) qualifying positions. The racing secretary shall try to separate trainers and then jockeys from having more than one (1) horse in a time trial.
- (3) If the association's starting gate has less than ten (10) stalls, then the maximum number of qualifiers will correspond to the maximum number of starting gate post positions.
- (4) If only eleven (11) or twelve (12) horses are entered to run in time trials from a gate with twelve (12) or more stalls, the association may choose to run finals only. If eleven (11) or twelve (12) horses participate in the finals, only the first ten (10) finishers will receive purse money unless the conditions of the race specify otherwise. This provision shall not apply to two (2) year old races.
- (5) In the time trials, horses shall qualify on the basis of time and order of finish. The times of the horses in the time trial will be determined to the limit of the timer. The only exception is when two (2) or more horses have the same time in the same trial heat. Then the order of finish shall also determine the preference in qualifying for the finals. Should two or more horses in different time trials have the same qualifying time to the limit of the timer for the final qualifying position(s), then a draw by public lot shall be conducted as directed by the stewards. Under no circumstances should stewards or placing judges attempt to determine horses' qualifying times in separate trials beyond the limit of the timer by comparing and/or enlarging photo-finish pictures.
- (6) Except in the case of disqualifying, under no circumstances shall a horse qualify ahead of a horse that finished ahead of that horse in the official order of finish in a time trial.
- (7) Should a horse be disqualified for interference during the running of a time trial, it shall receive the time of the horse it is immediately placed behind plus one-hundredth (.01) of a second, or the maximum accuracy of the electronic timing device. No adjustments will be made in the times recorded in the time trials to account for head-wind, tail-wind, off-track, etc. In the case where a horse is disqualified for interference with another horse causing loss of rider or the horse not to finish the race, the disqualified horse may be given no time plus one-hundredth (.01) of a second, or the maximum accuracy of the electronic timing device.
- (8) Should a malfunction occur with electronic timer on any time trial, finalists from that time trial will then be determined by official hand times operated by three (3) official and disinterested persons. The average of the three (3) hand times will be utilized for the winning time, unless one (1) of the hand times is clearly incorrect. In such cases, the average of the two (2) accurate hand times will be utilized for the winning time. The other horses in that race will be given times according to the order and margins of finish with the aid of the photo-finish strip, if available.
- (9) When there is a malfunction of the timer during the time trials, but the timer operates correctly in other time trials, under no circumstances should the accurate electronic times be discarded and the average of the hand times used for all time trials.

(The only exemption may be if the conditions of the stakes race so states, or states that in the case of a malfunction of the timer in trials, finalists will be selected by order finish in the trials.)

(10) In the case where the accuracy of the electronic timer and/or the average of the hand times are questioned, the video of a time trial may be used to estimate the winning time by counting the number video frames in the race from the moment the starting gate stall doors are fully open parallel to the racing track. This method is accurate to approximately three-hundredths (.03) seconds [*sic., second*]. Should the case arise where the timer malfunctions and there are no hand times, the stewards should have the option to select qualifiers based on the video time.

(11) Should there be a malfunction of the starting gate, and one (1) or more stall doors not open or open after the exact moment when the starter dispatches the field, the stewards may declare the horses with malfunctioning stall doors nonstarters. The stewards should have the option, however, to allow any horse whose stall door opened late, but still ran a time fast enough to qualify to be declared a starter for qualifying purposes. In the case where a horse breaks through the stall door, or the stall door opens prior to the exact moment the starter dispatches the field, the horse must be declared a nonstarter, and all entry fees refunded. In the case where one (1) or more, but not all stall doors open at the exact moment the starter dispatches the field, these horses should be considered starters for qualifying purposes, and placed according to their electronic time. If the electronic timer malfunctions in this instance, the average of the hand times or, if not available, the video time should be utilized for the horses declared starters.

(12) There will be an also eligible list only in the case of a disqualification for a positive drug test report, ineligibility of the horse according to the conditions of the race or a disqualification by the stewards for a rule violation. Should a horse be disqualified for a positive drug test report, ineligibility of the horse according to the conditions of the race or a disqualification by the stewards for a rule violation, the next fastest qualifier shall assume the disqualified horse's position in the final.

(13) If a horse should be scratched from the time trials, the horse's owner will not be eligible for a refund of the fees paid. If a horse that qualified for the final should be unable to enter due to racing soundness, or scratched for any reason other than a positive drug test report or a rule violation, the horse shall be deemed to have earned and the owner will receive, last place purse money. If more than one (1) horse should be scratched from the final, for any reason other than a positive drug test report or a rule violation, then those purse monies shall be added together and divided equally among those owners.
