Executive Director Deena Pitman

Chairman Borst and Executive Director Pitman,

As you are aware Horseshoe Indianapolis had a tremendously successful 2023 meet in terms of handle. One of the factors which we believe was directly responsible for much of our continued growth was our reduced takeout Pick 5 at 11.99% and Pick 4 and Pick 6 at 15%. This year we are also excited to introduce a "Turf Pick 3" where the entire wager would be made up of turf races.

With that in mind we are respectfully requesting approval from the IHRC on a reduction in takeout for the 2024 meet for the following wagers and takeout levels:

- Turf Pick 3 15%
- Pick 4 15%
- Pick 5 11.99%
- Pick 6 15%

We firmly believe that this will spur additional handle and have a very positive effect on purses for the 2024 meet. This takeout reduction will put us at the same levels as we used in 2023.

Thank you for your consideration,

Eric Halstrom
Vice President and General Manager, Horseshoe Indianapolis

Deena, Eric and Matt – Please see the revised Takeout Reduction Request. We have a new promotion that we would like to try that we believe will increase our handle...a “Turf Pick 3”. It will be made up of all turf races and has shown to be successful in Kentucky and New York. With our very good turf course, we’d like to make the most of it and offer customers another option.

Also a reminder that we don’t currently have plans to offer a Pick 6 but should that change we’d like to use the lower takeout as well. Thanks.

Eric

Chairman Borst and Executive Director Pitman,

Please find attached the list of Export locations that Horseshoe Indianapolis respectfully requests your approval on for the 2024 racing season. This list is very similar to the list that was submitted and approved in 2023.

I have also included the Indiana HBPA consent letter. You will notice that they have, at the moment, not approved the racetracks in New Mexico and we will abide by that while they work out their issues. Should there be no change to the Indiana HBPA's decision, we will not allow those facilities to wager on our races until there is some positive resolution.

Thank you for your consideration,

Eric Halstrom

Re: Simulcast export sites for 2024 race meet

Dr. Mr. Halstrom,

Please consider this letter as Indiana HBPA approval for the list of sites to send the Horseshoe Indianapolis 2024 race signal with the exception of the New Mexico tracks/ sites. (Including, but not limited to, Ruidoso Downs, Sunland Park, SunRay Park and Casino, The Downs at Albuquerque, and Zia Park until further notice.) We look forward to another record years of racing at Horseshoe Indianapolis.

Sincerely,

Tim Glyshaw

I am really sorry...I left out the most important piece!

Here is the list. It's identical to last year on the domestic list as we're approved by all locations in the US and Canada. The International piece is made up mostly of Tote Hubs. Reminder – they do not commingle their pools.
