ADMINISTRATIVE ACTIONS, NOTES, COMMENTS

RACE 1: Turf course change – The jockeys contacted the Stewards after the first race to express their concerns about the safety of the turf course. The horses were taking extremely large divots in certain areas of the course, and the riders felt this would cause a safety issue in later turf races. Track Management and Stewards met with the riders, and it was agreed that the remaining turf races would be moved to the inner part of the course and contested between the permanent rail (0 feet) and the temporary rail (48 feet).
