The reasons for a horse to be placed on the judge's list and ordered to qualify shall include, but not be limited to, the following on a fast or good track:

- (1) Making a break in a qualifying race.
- (2) Making a break in a race following a qualifying race, ~~if on the list for breaks,~~ unless finishing first, ~~second, or third.~~ Two (2) year old nonwagering purse races for three hundred dollars (\$300) or less shall be considered a qualifying race.
- (3) Poor performance or failure to go in a qualifying time.
- (4) Poor performance in a qualifying race regardless of going in qualifying time.
- (5) Making breaks in two (2) consecutive starts unless finishing first, ~~second, or third~~ in one (1) of the two (2).
- (6) Making breaks in three (3) consecutive starts regardless of finishing position or track condition.
- (7) Being scratched sick or lame in two (2) consecutive programs.
- (8) Numerous bad lines in its last six (6) starts regardless of being consecutive on finishing first, second, or third.
- (9) Poor performance while competing in a race followed by a break later in that race.
- (10) ~~Any horse making its first pari-mutuel start making a break unless finishing first, second, or third.~~

(11) (10) Failing to finish a race for any reason except in the case of accident, broken equipment, or interference.

(b) Any horse on the veterinarian's list shall also be considered to be on the judge's list and ineligible to race until removed.

(c) Any horse that has tested positive for a foreign substance in violation of this title that has not been cleared by the official veterinarian or judges shall be considered to be on the judge's list and ineligible to race until removed.

(d) Horses racing at all county fair race tracks that return to pari-mutuel race tracks to compete must have a clean charted line in qualifying time within forty-five (45) days or they must requalify. Time allowances for half-mile tracks shall be set by the race secretary at the pari-mutuel track, except as indicated in the conditions of the Indiana sires stakes.

(e) Horses that are on the judge's list or are not eligible to compete due to the qualifying standards at the Indiana pari-mutuel race track may be allowed to compete in "paid in events" if they have a clean line in qualifying time in the last thirty (30) days (race date to race date) unless declared ineligible under subsection (h) or (i).

(f) The judges may place a horse on the judge's list when there exists a question as to the exact identification, ownership, or trainer of a horse.

(g) A horse may not be released from the judge's list without permission of the judges.

(h) Qualifying standards shall not be waived for non-Indiana late closers, Indiana sire stakes finals, late closer finals, and all "paid in events" if there exists a compromise with the health and safety of the participants in those races.

(i) Horses that are placed on the veterinarian's or judge's list as sick, lame, or injured for a specified number of days, which includes the race date or are required to qualify before racing by the veterinarian or starter, shall not be eligible to race under subsection (e).

(b) All complaints by drivers of any foul driving or other misconduct during the heat must be made at the termination of the heat, unless the driver is prevented from doing so by an accident or injury. Any driver desiring to enter a claim of foul or other complaint of violation of this section must, before dismounting, indicate to the judges or patrol judge his or her desire to enter such claim or complaint and forthwith upon dismounting shall proceed to the telephone or judges' stand where and when such claim, objection, or complaint shall be immediately entered. The judges shall not cause the official sign to be displayed until such claim, objection, or complaint has been entered and considered.

(c) If any horse loses a piece of equipment during a race and that equipment bothers another horse or horses, it may be considered interference by the horse responsible for the lost equipment pursuant to 71 IAC 5-3-3(a)(19).

(d) In case of interference, collision, or violation of any of the restrictions in subsections (a), (b), and (c), the offending horse may be placed back one (1) or more positions in that heat or dash. In the event such collision or interference prevents any horse from finishing the heat or dash, the offending horse may be disqualified from receiving any winnings and the driver shall be fined or suspended, or both. In the event a horse is set back under this subsection, it must be placed behind the horse with whom it interfered. An interference that occurs to a horse or horses not in contention that did not affect the outcome of a race to that horse or any other horse as it applies to purse money won may not be grounds for a disqualification. Although, the driver causing the interference may still be penalized.

(e) If there is any purse money for which horses have started but were unable to finish due to interference or an accident, or both, all unoffending horses who did not finish will share equally in such purse money.

(f) A driver shall not:

(1) fail to display competitive urging or cease driving while in contention in the home stretch;

(2) race in an inconsistent manner;

(3) drive in an unsatisfactory manner due to lack of effort;

(4) drive in an unsatisfactory manner due to carelessness; or

(5) drive in such a manner as to have the horse remain classified or eligible to the same or easier conditions.

(g) If the judges determine that any of the actions in subsection (f) were such that they compromised the integrity of racing or were to aid or perpetrate a fraud, then the licensee may be summarily suspended pending a judges hearing.

(h) Anyone acting in concert with the driver to so effect the outcome of the race or races may be summarily suspended pending a judges hearing.

(i) A driver shall not fail to participate in the post parade at the prescribed time unless excused by the judges.

71 IAC 8-1-5 Furosemide as a permitted foreign substance

Authority: IC 4-31-3-9

Affected: IC 4-31-12

Sec. 5. Furosemide may be administered intravenously to a horse, which is entered to compete in a race. Except under the instructions of the official veterinarian or the racing veterinarian for the purpose of removing a horse from the veterinarian's list or to facilitate the collection of a post-race urine sample, furosemide shall be permitted only after the official veterinarian has placed the horse on the furosemide list. In order for a horse to be placed on the furosemide list the following process must be followed:

- (1) After the horse's licensed trainer and practicing veterinarian determine that it would be in the horse's best interests to race with furosemide they shall notify the official veterinarian or his/her designee, using the prescribed form, that they wish the horse to be put on the furosemide list.
- (2) The form must be received by the official veterinarian or his/her designee by the proper time deadlines so as to ensure public notification.
- (3) A horse placed on the official furosemide list must remain on that list unless the licensed trainer and practicing veterinarian submit a written request to remove the horse from the list. The request must be made to the official veterinarian or his/her designee, on the proper form, no later than the time of entry.
- (4) After a horse has been removed from the furosemide list, the horse may not be placed back on the list for a period of sixty (60) calendar days unless it is determined to be detrimental to the welfare of the horse, in consultation with the official veterinarian. If a horse is removed from the official furosemide list a second time in a three hundred sixty-five (365) day period, the horse may not be placed back on the list for a period of ninety (90) calendar days.
- (5) Furosemide shall only be administered on association grounds.
- (6) Upon the request of the regulatory agency designee, the veterinarian administering the authorized bleeder medication shall surrender the syringe used to administer such medication, which may then be submitted for testing.
- (7) Time of treatment. Horses qualified for medication and so indicated on the official bleeder list must be treated at least four (4) hours prior to post time.
- (8) Medication administration. Bleeder medication shall be administered by a veterinarian licensed by the commission at an intravenous dose level not to exceed five hundred (500) milligrams and no less than one hundred fifty (150) milligrams. The executive director or judges may designate certain practicing veterinarians to administer furosemide under this rule. Such designation may be determined daily, weekly, or for any other appropriate time period. Administration of furosemide shall take place in the test barn or a specific location otherwise designated by the commission. An association employee shall be present and observe the drawing of furosemide into a syringe. The administering veterinarian shall provide a factory sealed bottle of furosemide from which the draws shall be made. **The**

trainer of the horse receiving furosemide or his or her authorized representative or employee shall be present during furosemide administration. The association shall establish track rules for furosemide administrations that are consistent with these regulations.

(9) Out-of-state horses. A bleeder horse shipped into the state from another jurisdiction may be automatically eligible to receive furosemide provided that the jurisdiction from which it was shipped qualified it as a bleeder using criteria satisfactory to this state. The USTA, the breed registry foal certificate, or bleeder certificate may be utilized in determining a horse's eligibility to receive furosemide.

(10) The test level of furosemide under this rule shall not be in excess of one hundred (100) nanograms per milliliter of serum or plasma and shall not be below a urine specific gravity of one and ten one-thousandths (1.010). If an insufficient volume of urine is obtained, a positive test shall be based upon quantitative testing performed on blood serum or plasma only. Split sample testing shall be quantitative and be performed on blood serum or plasma only.

RE: *Redirection of ADW Funds*

Dear Noah:

Thank you for taking my call and discussing with me proposed redirection of ADW Funds. Previously, the ISA Board of Directors voted to direct ADW Funds to purses for Indiana Sired racing in the same manner that Breed Development Funds are currently utilized.

The ISA proposes that ADW Funds be held by the track in a separate restricted account and not be utilized until such time as all Breed Development Funds have been expended for purses. This year, this occurred in mid-October. It is my understanding that Breed Development will provide less funding for Indiana Sired events in 2022 with the likely result being that Breed Development Funds will be exhausted prior to mid-October. The ISA proposes that when Breed Development Funds are exhausted, that ADW Funds be utilized to pay purses for Indiana Sired races. ADW Funds would be paid out in the same manner as Breed Development Funds.

Please let me know if you need additional explanation for information. Hopefully this request can be addressed by the Commission at its December 2021 meeting.

Yours truly,

YOUNG AND YOUNG

RE: Distribution of QHRAI ADW Funds

Dear Executive Director Pitman:

The QHRAI Board of Directors request that the Indiana Horse Racing Commission authorize a distribution plan for ADW money to be earmarked for our 2022 AQHA Challenge Championship Day to be held at Indiana Grand on October 22, 2022. QHRAI ask that those funds be devoted to the payment of purses for the AQHA Challenge races. We have discussed this request with Eric Halstrom.

To give some background on the Challenge races, horses compete in regional races around the world, including the United States, Canada, Mexico and South America, and the winners are invited to a year-end championship event held in the fall. The event moves yearly to a different location. This will be the first year that Indiana has been approved to host the 2022 AQHA year-end championship. This gives us the opportunity to showcase and promote our horse racing and breeding program here in the state of Indiana.

Please feel free to contact me if you have any additional questions or would like to discuss the AQHA Challenge Championship Day.

Sincerely,

Dianne Bennett

QHRAI Executive Director
