IHRC Chairman, Philip Borst  
IHRC Executive Director, Deena Pitman  
1302 N. Meridian St.  
Indianapolis, IN 46202

Chairman Borst and Executive Director Pitman,

Horseshoe Indianapolis currently has \$65,089 left in 2025 Rolling Maintenance Equipment Capital. We have been in conversation with the Indiana HBPA and, as a group, we believe that the best use of this money would be to buy a high-end aerator that will help our Track Superintendent, Tony Martinez, to better prepare our turf course for racing in the spring of each year. We have an aerator at this time but not one that we feel is up to the standards that we have set for the quality of our turf course.

Thusly, we are respectfully seeking the following substitution at the July 14, 2025 IHRC meeting:

Substitute Maintenance Capital remaining for 2025: \$65,089

Substitute equipment requested: Sandmaster 1.6m Aerator - \$82,664.85

The overage between the Capital that remains available and the cost of the aerator will be covered by Horseshoe Indianapolis.

Sincerely,

A handwritten signature in blue ink, appearing to read "Eric Halstrom".
