

INDIANA THOROUGHBRED BREED DEVELOPMENT PROGRAM GUIDE

About Thoroughbred Breed Development

Welcome to an exciting time for the horse racing industry in Indiana. In 2007, legislation was passed which approved slot machines at Indiana's pari-mutuel racetracks. Hoosier Park and Indiana Downs both opened their slot operations in June of 2008. The Thoroughbred Breed Development Fund receives 40% of the revenue generated from slot machines that is allocated for Thoroughbred racing. This allocation of slot funding to breed development is one of the most generous in the nation.

The mission of the Thoroughbred Breed Development Program is the dual goal of stimulating the agri-business sector of the State's economy while breeding highest quality thoroughbred horses. The program provides incentives to three important elements of the Indiana Thoroughbred industry: the owner, the breeder and the stallion owner.

What is an Indiana Bred?

An Indiana bred, by definition is any duly registered Thoroughbred foaled in Indiana whose dam was registered with the Indiana Horse Racing Commission and entered in Indiana by November 1 of the year prior to foaling. The mare must remain in Indiana continuously until foaling. The resulting foal will then be eligible to be registered as an Indiana bred.

If a mare entered Indiana and was registered after November 1 of the year prior to foaling, the foal must be born in Indiana to be registered as an Indiana bred. In addition, the mare of the foal must also be bred back to a registered Indiana stallion in the year of foaling.

All foals must be registered with the IHRC prior to being entered in a race in which they are eligible to receive incentives.

Registration

Mare Registration

In order to be eligible to register a Thoroughbred foal as an Indiana bred, the foal must be foaled in Indiana and its dam must be registered and have entered Indiana by November 1, remaining in Indiana continuously until foaling.

In the event a mare entered Indiana and is registered with the IHRC after November 1, the foal (which must be foaled in Indiana) will be eligible to be registered as an Indiana bred only if the mare is bred back to a registered Indiana stallion in the year of foaling.

Mares which are required to be bred back to an Indiana stallion must remain in Indiana for a period of thirty (30) days from the foaling date. The mare and foal must be inspected prior to leaving the state. Mares that fail to conceive on the breed back must remain open for that breeding season in order to make the mare's current foal eligible.

Mares registered for the current breeding year will be allowed to leave the state for a public sale, but must return within fourteen (14) days. In addition registered mares may leave Indiana in order to receive emergency medical treatment. The IHRC must be notified in writing and provided proper documentation for any mare and/or foal leaving Indiana.

All mares in foal must be registered every year, even if they never leave the state.

Foal Registration

In order to be eligible to register a Thoroughbred foal as Indiana bred, the **foal must be foaled in Indiana and its dam must be registered with the Indiana Horse Racing Commission.** The mare must be registered and have entered Indiana by **November 1**, and must remain in Indiana continuously until foaling.

In the event a mare entered Indiana and is registered with the IHRC after November 1, the foal (which must be foaled in Indiana) will be eligible to be registered as an Indiana bred only if said mare is bred back to a registered Indiana stallion in the year of foaling.

If the mare fails to conceive when bred, or is unfit to breed due to health reasons, said mare must remain open for that breeding season in order for the current foal to be eligible for registration as Indiana bred.

In order to be eligible to register a foal as an Indiana bred with the IHRC, a completed application must be on file with the commission within **twelve (12) months of the horse's foaling date.** If the foal is not registered by the required date, a late fee will be assessed in accordance with the following schedule:

- 12 months plus 1 day to December 31 of yearling year - \$200
- 2 year old year - \$400
- 3 year old year and beyond - \$1,000

Stallion Registration

In order to be eligible to register a stallion with the Indiana Horse Racing Commission, a completed application must be on file with the IHRC **on or before October 15th of each year.** Each registered stallion must remain in Indiana the entire breeding season (February 1 through July 1).

New stallions arriving late cannot have covered any mares in another state during the same year. New stallions standing in Indiana for the first time must be registered prior to covering any mares for that year.

A stallion must be registered with the commission the year of the foal's conception to be eligible for sire races and stallion awards. **Stallions must be registered each year.** A mares bred report must be on file with the commission by December 1 of each year. A copy of lease agreements must accompany the application.

There will be a \$250 late fee for all applications filed after the deadline. The late fee is waived for new stallions which are standing for the first time in Indiana.

Only those stallions standing in Indiana and properly registered with the IHRC are eligible for stallion breed development awards.

Incentives

The incentives offered in the Thoroughbred Breed Development program make breeding, owning or purchasing an Indiana Bred a good investment. The incentives include:

40% Supplement to Indiana Breds in Open Races – A 40% purse supplement for any Indiana Bred which finishes 1st, 2nd or 3rd in any open race, except claiming races with a price less than \$10,000, will be paid. This supplement rewards Indiana Bred horses that are competing and doing well in open races. In addition, a registered Indiana bred that enters or races in an open race will retain their previous preference date when returning to a restricted Indiana bred races.

Restricted Races for Indiana Breds – A number of restricted races are written for registered Indiana Bred horses. The purse of the restricted race is equal to the purse of its open race counterpart. In addition, one-third of the restricted races for \$10,000 claiming and above are written for Indiana Sired horses (Indiana Bred foals sired by an Indiana registered stallion).

Stakes Program – Stakes races restricted to registered Indiana Bred horses are conducted at Indiana Downs and Hoosier Park. Beginning in 2012, the following Signature Stakes for Indiana Bred horses will be contested:

INDIANA DOWNS - SUMMER

An additional 25% supplement will be available to the owners of an Indiana Sired horses finishing 1st, 2nd or 3rd in each one of the four signature races.

Breeder's Awards – Breeder awards are paid to the breeder of a registered Indiana bred which wins an award eligible race at a licensed pari-mutuel track located in Indiana.

The amount of the award is 20% of the gross purse (including purse supplement in open races) for all allowance, stakes and claiming races when entered for a claiming price of greater than or equal to \$10,000. The amount of the award shall not exceed \$15,000.

Stallion Owner Awards – Stallion owner awards are paid to the owner of a registered Indiana stallion whose progeny have won an award eligible race at a licensed pari-mutuel track located in Indiana.

The amount of the award is 10% of the gross purse (including purse supplement in open races) for all allowance, stakes and claiming races when entered for a claiming price of greater than or equal to \$10,000. The amount of the award shall not exceed \$7,500.

Out-of-State Breeder's Awards - Out-of-state breeder's awards are paid to the breeder of a registered Indiana bred which wins a race in another state or Canada.

The amount of the award is Ten percent (10%) of the winner's share of the purse for any race, when entered for a claiming price of greater than or equal to \$10,000. The amount of the award shall not exceed \$10,000.

This award is applicable only when there is no live Thoroughbred race meet in progress in Indiana (except for stake races and for two-year-olds winning prior to the beginning of the Hoosier Park race meet).

All awards are paid and distributed by the Indiana Horse Racing Commission following the conclusion of each race meet.
