

Week Two Fair Housing Investigation Training

June 2, 2014 – June 6, 2014

Indiana Government Center South (Conference Center)

Conference Room 14

302 W. Washington Street

Indianapolis, Indiana 46204

Two topics will be covered in the Week Two course:

1. *Theories of Proof and Data Analysis*: A one-day module that provides an overview of various theories of proof and data analysis that have been applied by courts and their application to the investigative process.
2. *Discovery Techniques and Evidence*: A three-day module that focuses on the assessment of evidence in a fair housing investigation. Federal rules for evidence, including relevance, rules of hearsay, and elements of proof are discussed.

Fair Housing Assistance Program (FHAP) agency and HUD staff must take core curriculum courses in sequential order. Week One must be completed prior to attending Week Two.
